5. NEW BUSINESS

- A. Variance for the property addressed as 8601 Rosalie Ave, Brentwood MO 63116 from Section 400.2400(A) which provides that no fence or screen except those allowed under Section 400.2410, Subsection (D) shall be erected, constructed or maintained within a front yard in any dwelling district. Section 400.2410(D)(a) requires an ornamental open fence not to exceed 48” inches in height, may be permitted when located to the side or rear of the residence within a front yard setback, provided that it is set back at least 5 feet from the property line or 10 feet from the street curb whichever is greater, and is constructed of open slatted decorative metal fencing. The Applicants received a variance on September 24, 2024, which allowed a 5 foot tall fence that was at least 30% open (at a minimum) one foot from the property line within the setback of Helen Ave. Construction started with 15% openness which was inconsistent with the approved plans and the variance. The Applicants are seeking approval of a revised Variance to allow for the five foot tall fence that is 15% open along Helen Avenue.
- B. Variance from Section 400.1330(D)(5)(a) of the Brentwood Code of Ordinances for the property addressed as 5 Stratford Lane, Brentwood MO 63116 in the B Single Family District that requires the driveway may not be wider than the width of the garage plus twenty-four (24) inches as measured at the main opening in width of door, but in no event shall the driveway exceed forty percent (40%) of the front or rear yard area in which the driveway is located. The proposal is to allow for the extension of the driveway beyond the existing width for an additional 6 feet.
