Fines and Forfeitures:

Fines and forfeitures through April are below 2014 and the 2015 budget at 19.71%. Discussions with the police department indicate that monthly activity may not be consistent as their patrol emphasis and activities change on a routine basis. We originally expected this revenue to stay at the 2012-2013 levels but continued reductions in numbers of tickets issued each month indicate that this revenue source will continue to fall below our original estimates.

Intergovernmental:

Intergovernmental revenue includes anticipated grant revenue, revenue from the library and the City of Rock Hill. This revenue is below 2014 but on target with the 2015 budget at 34.17%. The dispatch contract with Rock Hill ended in 2014 when ECDC began dispatching for both cities. This has caused this revenue category to be significantly reduced for 2015 and beyond as reflected in the 2015 budget.

Overtime Analysis

Overall city overtime is at 24.76% of the 2015 budget. Overtime expenditures for April are on target with the 2015 budget in total but some departments are above the 2015 budget. We expect this to level out during the remainder of the year as much of the overtime is attributable to holidays and snow removal. It is important to note that a portion of the Police overtime is funded by the DEA. We have noted this below along with other grant funding we receive for overtime.
