DATE: January 27, 2016
SUBJECT: November 2016 Financial Status Report

INTRODUCTION:

The purpose of this memo is to present a detailed analysis of the City’s financial status as of November 30, 2016. We should be at about 92% of the 2016 budget at this point in the budget year. As you will see, we are at 85% of the 2016 budget (still slightly below) in General Fund revenue and at 83% of the 2016 budget (below) in General Fund expenditures. The difference between revenues and expenditures has dipped in November and is now at \$449,810. **We continue to see sales tax revenues at 2015 levels and utility tax revenues below 2015 levels.** Further explanations for any unusual trends are highlighted in **bold print**. If you have questions or need any additional information please let me know.
