Gina Gibbons Named Director of Brentwood Public Library

Brentwood, Missouri – January 25, 2018 – The Brentwood Public Library has a new director: Gina Gibbons. She has served as acting director since August 2017, upon the retirement of Vicki Woods.

Gibbons joined the Brentwood Public Library staff in 2007. Previously, she was assistant supervisor at a St. Louis County Library branch following nine years in the bookmobile department, when she traveled to schools throughout St. Louis County.

“I have always enjoyed working with the public and I also enjoy a good book, children's and adult titles equally,” said Gibbons. “When I started working for the Brentwood Library, I knew I had found the right place for me. This community is welcoming, increasingly diverse, and the people who frequent the library become like family. I love how tightly knit this community is. My greatest hope is that the library fosters and contributes the same qualities in return.”

Gibbons earned a Master in Library Science degree from the University of Missouri and a BA in language and literature from Webster University.
