

**2018 ROLL OFF DUMPSTER SERVICES REQUEST FOR PROPOSAL (RFP)**

**BID OPENING RESULTS SUMMARY**

**BIDS RECEIVED BY MAY 3, 2018 RFP BID SUBMITTAL DEADLINE**

The following are the bid results for 30 cubic yard capacity will call dumpsters. Only Meridian provided a cost for the optional 40 cubic yard capacity will call dumpsters (not listed below but recorded on bid forms). The cost per 30 cubic yard dumpster is the same regardless of whether it is used for households only or yard waste only. The cost per single dumpster per year is provided. In the bid form, it was assumed that there would be **sixty (60) dumpster turnovers per year**. Assuming the value of 60 units for each of the three (3) years and using the per unit cost for each year, the Estimated Totals for these three years (aggregate sum) was computed.

<b>Vendor</b>	<b>Year 1</b>	<b>Year 2</b>	<b>Year 3</b>	<b>Estimated Totals- Year 1 thru Year 3</b>
Meridian Waste	\$345	\$355	\$365	\$63,900
Republic Services	\$438	\$438	\$438	\$78,840

Waste Mgmt. \$245.65

(No Bid Received- Expense listed in Year 1 is current expense for 30 cubic yard dumpsters at Strassner Yard for comparison purposes)
