Brentwood Bound

Building a Bright Future

There are three components to the renewal of the Manchester Road corridor in the City of Brentwood. Together, these projects will help us overcome long-term challenges while enhancing our community for decades to come and providing an opportunity for park and recreational spaces to be enjoyed by all Brentwood residents.

Conceptual renderings of projects

Brentwood Voters Pass Proposition B

On April 2, Brentwood voters approved Proposition B, an economic development sales tax to fully fund the Brentwood Bound plan, by a 3-to-1 margin. Here are some next steps:

Summer 2019: Brentwood Bound project team continues to acquire the property necessary for the Deer Creek Flood Mitigation project.

Summer 2019: The Federal Emergency Management Agency (FEMA) continues to review Brentwood's application for a Conditional Letter of Map Revision (CLOMR); the City submitted the application in January 2019.

Fall 2019: Board of Aldermen reviews the CLOMR, flood mitigation engineering plans, Manchester Road Improvements plan, and Deer Creek Greenway Connector preliminary design.

Fall 2019: Board of Aldermen considers vote to begin assessing the one-half of one percent economic development sales tax approved by Proposition B.

Commission on Accreditation for Law Enforcement Agencies Awards Brentwood Police Department International Accreditation

The Commission on Accreditation for Law Enforcement Agencies (CALEA) awarded the Brentwood Police Department international accreditation for the first time in the agency's history. Since 1979, CALEA has been identified as the "Gold Standard" of best practices in law enforcement, and this achievement in the voluntary process marks a police agency's commitment to excellence in law enforcement.

In July 2016, the Brentwood Police Department entered into an agreement with CALEA to begin a three-year "self-assessment" process toward becoming accredited. To achieve accreditation the agency must comply with 189 CALEA standards. This process involved an in-depth review of the agency's operations and led to the development of more than 90 new, industry-standard directives, forms, and guidelines, including a new policy acknowledgement system, personnel early intervention system, and internal affairs tracking system.

In August 2018, the police department completed the self-assessment process and petitioned CALEA for a review. In October 2018, Compliance Service Members from CALEA reviewed each directive and proofs of compliance and found them to be in compliance with the CALEA standards.

From November 26 to 28, 2018, assessors from CALEA visited the Brentwood Police Department to conduct a thorough examination of police operations, support services, evidence/property storage, communications, municipal court, finance, human resources, and public relations through site visits, interviews and observations. The assessors met with the City of Brentwood Mayor and City Administrator, Brentwood School District officials, Richmond Heights Police Department jail staff, and East Central Dispatch Center (ECDC) staff, and also toured each facility.

In December 2018, CALEA released a 43-page detailed report on the Brentwood Police Department indicating the agency was in complete compliance with all applicable standards.

On May 4, 2019, members of the Brentwood Police Department traveled to Huntsville, Alabama to participate in an accreditation review by the CALEA counsel and to answer questions regarding the City, preparation for certification, and value to the process for the Department. At a banquet that evening, the Brentwood Police Department was officially recognized as CALEA certified.

The City of Brentwood recognizes the excellent work completed by members of the Brentwood Police Department staff, especially Major Jim McIntyre and CALEA Accreditation Manager Kevin Boschert. Their diligence and expertise resulted in the award completion nearly one year early and an outstanding review for the Department.

New Elected Officials Sworn In

Brentwood voters elected a new mayor and reelected four aldermen on April 2. The officials were sworn in at the Board of Aldermen meeting on April 15. Mayor David Dimmitt appointed Nancy Parker Tice to fill the Ward 1 alderman position that became vacant due to his election as mayor.
