Brentwood Bound

Building a Bright Future

There are three components to the renewal of the Manchester Road corridor in the City of Brentwood: Deer Creek Flood Mitigation, Manchester Road Improvements, and Deer Creek Greenway Connector. Together, these projects will help us overcome long-term challenges while enhancing our community for decades to come and providing an opportunity for park and recreational spaces to be enjoyed by all Brentwood residents.

Follow the Progress

Visit BrentwoodBound.org for project details, videos, presentations and updates.

Questions or input to share? Call **314.963.8673** or email brentwoodbound@brentwoodmo.org.

Conceptual renderings of projects

Good News for Brentwood Bound: We Have the CLOMR

The Federal Emergency Management Agency (FEMA) issued a Conditional Letter of Map Revision (CLOMR) for the City of Brentwood's Deer Creek Flood Mitigation project. The CLOMR indicates that the project, if built, would be recognized by FEMA to modify the Special Flood Hazard Area on the Flood Insurance Rate Map as proposed by the City. Specifically, approximately 30 acres currently in the floodplain would be removed from the floodplain following completion of the flood mitigation project.

The Flood Insurance Rate Map will not be updated until after completion of construction and the issuance of a Letter of Map Revision (LOMR) by FEMA. The CLOMR is FEMA's comment on the impacts of a potential project; it helps ensure that the project is compliant with National Flood Insurance Program regulations prior to construction.

The City submitted the CLOMR application in January 2019. In April 2019, Brentwood voters overwhelmingly approved Proposition B, an economic development sales tax to fully fund the Brentwood Bound plan. The Board of Aldermen had promised the Brentwood voters that the Board would not approve the actual collection of the tax until the City received the CLOMR from FEMA. Now that the City has the CLOMR, the Board will follow through on the approval to collect the sales tax. The sales tax collection will begin January 1, 2020.

City of Brentwood Wins Awards in Recognition of Work on Brentwood Bound

The City of Brentwood received three awards from the City-County Communications & Marketing Association (3CMA). 3CMA announced the 2019 winners of its national Savvy Awards Competition at its Annual Conference in September.

Resident Participation (Population 0-115,000): Award of Excellence for Brentwood Bound Community Engagement
Graphic Design (Population 0-71,000): Silver Circle Award for Brentwood Bound
Video - Education/Training (Population 0-60,000): Award of Excellence for Brentwood Bound Videos

The Savvy Awards recognize outstanding local government achievements in communications, public-sector marketing and citizen-government relationships.

City Hall Closed Until Early 2020 for Renovations

Brentwood City Hall is closed to the public for several months while undergoing a partial renovation. City Hall staff have been temporarily relocated to other City buildings.

Board and Committee meetings will be held at new locations until City Hall is reopened in early 2020.

The **Planning & Development** department has relocated to the Firehouse (8756 Eulalie Avenue).

The **Court office** has relocated to the Public Works building (8330 Manchester Road).

Board of Aldermen, Public Works Committee, Public Safety Committee and Ways & Means Committee will meet at Brentwood School District Conference Center (1201 Hanley Industrial Drive) during the renovation project.

Planning & Zoning Commission, Architectural Review Board, Board of Adjustment and Site Plan Review Subcommittee meetings will be held at the Brentwood Recreation Complex (2505 S. Brentwood Blvd.) during the renovation project.

The main City phone number (**314.962.4800**) and department and staff phone extensions will remain operational during the construction period.

Renovations inside the building focus on improving the customer service experience as well as security on the first floor. Renovations also include accessibility improvements to entrances, including ramps, handrails and parking. This construction work is included in the City's fiscal year 2019 and 2020 budgets.

Please watch for updates on the City website (www.brentwoodmo.org), the City's Facebook page (facebook.com/BrentwoodMO), and Nextdoor.com. Thank you for your understanding as we work on improving your City Hall!

These images illustrate plans for how the renovated public space in City Hall will look like when the renovation project is completed in early 2020.
