As Brentwood begins its second century, we're working on ambitious plans to transform and renew part of our City. In May 2017, the Board of Aldermen approved three projects to revitalize the Manchester Road corridor in Brentwood:

- **Deer Creek Flood Mitigation**
- **Manchester Road Improvements**
- **Deer Creek Greenway Connector**

On April 2, 2019, Brentwood voters approved Proposition B, an economic development sales tax to fully fund the Brentwood Bound plan, by a 3-to-1 margin. The Board of Aldermen approved the collection of this sales tax, effective January 1, 2020.
