SBA Stands Ready to Assist Missouri Businesses and Residents Affected by Severe Storms and Flooding

SACRAMENTO, Calif. – Low-interest federal disaster loans are now available to Missouri businesses and residents as a result of President Biden’s major disaster declaration, U.S. Small Business Administration’s [Administrator Isabella Casillas Guzman](#) announced.

The declaration covers St. Charles and St. Louis counties and St. Louis City as a result of the severe storms and flooding that occurred July 25 - July 28, 2022.

“SBA’s mission-driven team stands ready to help Missouri’s small businesses and residents impacted by severe storms and flooding,” said Administrator Guzman. “We’re committed to providing federal disaster loans swiftly and efficiently, with a customer-centric approach to help businesses and communities recover and rebuild.”

Businesses of all sizes and private nonprofit organizations may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory and other business assets. SBA can also lend additional funds to businesses and homeowners to help with the cost of improvements to protect, prevent or minimize the same type of disaster damage from occurring in the future.

For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations of any size, SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic injury assistance is available to businesses regardless of any property damage.

Disaster loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible for up to \$40,000 to repair or replace damaged or destroyed personal property.

Interest rates can be as low as 2.935 percent for businesses, 1.875 percent for private nonprofit organizations and 1.688 percent for homeowners and renters with terms up to 30 years. Loan amounts and terms are set by SBA and are based on each applicant’s financial condition.

To be considered for all forms of disaster assistance, survivors must first contact the Federal Emergency Management Agency at www.disasterassistance.gov. As soon as Federal-State Disaster Recovery Centers open throughout the affected area, SBA will provide one-on-one assistance to

disaster loan applicants. Additional information and details on the location of disaster recovery centers is available by calling the SBA Customer Service Center at (800) 659-2955.
