WHAT I LOVE MOST ABOUT BRENTWOOD PARKS & RECREATION IS...

Everything is Walkable!

We love the trails! us, too!

Focus on Families

So many trees!

- WELL MAINTAINED TRAILS
- LOVE BEUSE OF PEELLED TREES FOR TRAILS

The TRAILS

The trees + walking paths

Beautiful! Thanks you!

Most walkable Neighborhood in the county!

the Skateijs Place
AKA ice rink

Love the Goombow Park

Well maintained trails, both paved and wooded

Our trails!

Oak Tree + Broughton Parks on the trail

I can go there and play w/ my friends and there is lots of cool stuff

BRENTWOOD PARKS & RECREATION COULD BE BETTER IF...

more swings

More wild animals (cheetahs)
- Like (age?)

more trees (shade & climbing)

MORE DOG WATER BOWLS

Soccer Fields needed!!!

Farmer's Market!!!
Yes! Yes!

Keep bathrooms open all year
Yes!

Shady spots for parents to sit

LIVE MUSIC Yes!

extend the open bathroom season

Bike Racks needed at ALL parks

More Pickleball courts + add leagues

- LIGHTING BETWEEN ROSAINE + HAWLEY RR ON TRAIL

That Park by the Annual should have fields for the school

extend water fountain season
- more water bottle fillers along path

A REAL DOG PARK!!!
LIKE WHAT WAS BEHIND ACE -
- more shade, tables + WATER source

more Golf Carts!

Keep bathrooms open all year please!

open play / pickup sports

More DOG DRINKING FOUNTAINS

More events
- art fairs
- music festivals
- food trucks

more trees!

AD POK RTS
(Add Go-karts)

Frisbee Golf?
Maybe split up among several areas like shorter holes.

Battery Dog Bags

Also - DOG WATER Fountains

Trail Enhancement Master Plan

The primary goal of the Trail Enhancement Feasibility Study is to determine the best alternative enhancement to the existing Rogers Parkway corridor and to provide recommendations for the trail design and construction. Based on the information provided during the public process, the final recommendations will be based on a combination of the trail alternatives for each specific reach of the project.

105	Easy to access, usually well taken care of with native plantings	6/21/2023 5:14 PM
106	Accessibility to residents; cleanliness and in repair (exception is Broughton Park); wonderful gathering places for people of all ages, especially our youth.	6/21/2023 12:09 PM
107	How well maintained the parks are. I also love how connected they all are via paths and now the Manchester sidewalks are updated. Like the programming for youth too!	6/21/2023 12:00 PM

143	The classes	6/10/2023 12:19 PM
144	Park locations are chosen well to be accessible to the public while buffering residential areas from industrial courts. Parks themselves have nice amenities that invite a variety of activities. Environments in parks range from simple playgrounds like broughton park to deeply wooded trails like those in memorial park. The new brentwood park is great use of an area that was formerly known purely for flooding. I wholly believe that the brentwood park system is excellent in its execution.	6/9/2023 8:10 PM

Q3 Brentwood Parks and Recreation could be better if ...

Answered: 222 Skipped: 52

#	RESPONSES	DATE
1	There were open bars throughout the parks	8/18/2023 3:28 PM
2	there were more drinking fountains	7/20/2023 7:59 PM
3	Trails was lighted better at night, suggest dark sky solar lights. More benches and access to porta potties along trails to be senior citizen friendly. Bathroom could be concealed by fences so it looks nicer. Water access for dogs.	7/20/2023 7:09 PM
4	This survey is great. Might reveal need for areas for adults to gather, such as skate park, pickle ball, basketball	7/20/2023 8:46 AM
5	I would prefer more pedestrian first design to car-centric design. Parks/trails should be separated from roads/streets. Our parks are well off trail, but the trails need some more room with medians separated from car traffic for both physical pedestrian safety and staying away from car exhaust. I personally hate parking minimums. Can't stand em. That has little to do with P&R, but it's definitely related enough. If you were to cut down the 10 parking spaces per 1000SF of space avg minimum to 5 even, that'd be a step in the right direction.	7/19/2023 12:26 PM
6	Skate park	7/18/2023 11:14 PM
7	The rental fees weren't so expensive	7/18/2023 7:01 PM
8	Pickleball courts are added.	7/18/2023 3:23 PM
9	There were a splash pad	7/18/2023 1:16 PM
10	Paddleball somewhere, more trails throughout the city (it would be great to have a trail at the land behind Mt. Calvary)	7/18/2023 10:06 AM
11	less built space and more natural spaces and green space and walking paths	7/17/2023 7:14 PM
12	Unknown at this time.	7/17/2023 9:41 AM
13	We live in Tuxedo Park. Clean up and open the Brentwood Ave park entry access. Add a park path connection to the other side of deer creek. It's not very accessible or as easily walkable for all of the neighborhoods adjacent to us and right next to the south side of the park along Marshall. Just walked with my dogs from Brentwood to Manchester and Hanley side and now we have to turn around and walk all the way back or go down Manchester?! haven't thoroughly looked at the plans yet so I may be missing something, but it seems like a missed opportunity.	7/15/2023 7:40 PM
14	We had water fountains! And possibly another restroom or two.	7/15/2023 4:38 PM
15	Not sure really! I'm grateful for our local parks & events :)	7/15/2023 12:35 PM
16	If we could be notified(prior to walking or biking to a park area) of any closures or partial closures. It was ridiculous that they new park had a grand opening and then the tunnel was closed for further work. Only found out by going there or reading on social media.	7/13/2023 1:47 PM
17	Broughton park could probably use an update. Would love to see the parkway as a full loop somehow, as well as connection to other trails if possible.	7/13/2023 8:56 AM
18	The trail system extended further or connected to nearby surrounding trails.	7/12/2023 11:04 PM
19	I'd like yo see more social events. Allow me to Elaborate. I am a disabled senior. I cannot drive which makes getting out to meet people problematic.. Metro recently made significant cutbacks to their call-a-ride para transit service Which makes getting outTo meet people. Lastly, does the website offer the option to submit suggestions? Thank uou!	7/12/2023 8:06 PM
20	Parts of Rogers Parkway was illuminated for walking after dark.	7/12/2023 6:58 PM

22	Would like to see something like a brewery partnership or something similar, like what Francis Park in the city has with Rockwell Brewery	7/12/2023 5:27 PM
23	landscaping required less maintenance	7/12/2023 4:48 PM
24	Water/ drinking fountains	7/12/2023 7:04 AM
25	The weeds were trimmed more often!	7/11/2023 10:05 PM
26	The staff stayed more than a year. If we have the same sport person for a whole season, that's a win. Lots of internal staff issues maybe.	7/11/2023 7:50 PM
27	???	7/11/2023 6:42 PM
28	Facilities are updated to allow equitable access and usage. Adequate lighting is added for safety after sundown.	7/11/2023 1:59 PM
29	If we had a small soccer field for the littler kids like we used to have	7/11/2023 1:35 PM
30	Devoted more effort toward improving main baseball field and outfield. Outfield is abominable with ruts, ridges, bumps and lack of smooth grass turf! Press box and dugouts need upgrades and batting cage needs repairs, ie sagging and numerous holes	7/10/2023 10:14 PM
31	It gets connected to the Greenway trails soon as mentioned. Also, addressing challenges with the baseball fields.	7/10/2023 3:34 PM
32	Have more parks and longer trails!	7/10/2023 7:57 AM
33	Keep updated	7/9/2023 11:28 PM
34	The Sports Complex is an embarrassment to Brentwood and the school district. The baseball field that the High School team plays at is in horrific shape and subpar to all other baseball fields. I'd like to see turf so they can be played in wet weather and minimize kids getting hurt when playing.	7/9/2023 9:25 PM
35	Better maintenance of batting cage at sports complex.	7/9/2023 6:29 PM
36	They'd consider the needs of adults without children. Not everything revolves around children, but it seems a higher-up in the department thinks it does.	7/9/2023 3:39 PM
37	More soccer fields!	7/9/2023 12:51 PM
38	There was better Trail and wide shared use path connectivity to bus/Metrolink.	7/9/2023 12:48 PM
39	I could easily walk to a play area from my house (we're on Saint Clair). More shade options, especially at Oak Tree. And update the sports fields at Brentwood Sports Complex. Our kids teams practice there and it is often very muddy, or closed from too much rain.	7/9/2023 10:11 AM
40	Given the resources for parks to be properly maintained	7/9/2023 8:05 AM
41	If there was a trail connection by Hanley and Manchester to Deer Creek Park in Maplewood	7/9/2023 7:01 AM
42	More field space for soccer/baseball/softball. Fields taken care of better at Brentwood park. The public works crew is not equipped to deal with or doesn't care about maintaining the field space we do have.	7/9/2023 2:55 AM
43	It incorporated a skatepark/skate garden or skateable art	7/8/2023 9:32 PM
44	I have nothing to add	7/8/2023 8:56 PM
45	Had more natural landscape play areas for kids and was all interconnected.	7/8/2023 8:23 PM
46	N/a not familiar enough yet	7/8/2023 5:03 PM
47	Better upkeep of trees along walking trails, and walking bridge maintenance. Also more visible police patrols (bike or other) to keep residents safe.	7/8/2023 2:23 PM
48	N/a	7/8/2023 1:00 PM
49	Definitely need more water stations for humans and dogs etc.	7/8/2023 11:53 AM
50	Parks had more activities to do.	7/8/2023 10:55 AM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

51	Please consider allowing the use of low speed vehicles on additional paths to parks. I also think a pair of bocce ball courts would be a really cool idea for one of the parks. Adding some shade to the courts would be a must. Recommend shade sails for cost efficiency.	7/8/2023 9:32 AM
52	We had more playgrounds/parks on the West side of Brentwood. I'm jealous of the walkability of the East side.	7/8/2023 9:21 AM
53	If they did concerts at various locations for a change	7/8/2023 9:13 AM
54	If the parks were more walkable. There isn't much access to green space or a playground west of Brentwood Blvd. We end up visiting Tilles Park.	7/8/2023 9:10 AM
55	It had more toddler programming not just school age	7/7/2023 10:54 PM
56	There was more parks with shade or water features, as well as play areas for young children and on the west side of Brentwood.	7/7/2023 12:24 PM
57	There were more facilities for kids of various ages - we love the 2-5 section of Memorial Park's playground right now.	7/7/2023 11:51 AM
58	They added more dog water fountains	7/7/2023 9:50 AM
59	More water fountains and restrooms; splash pads like Tilles park and Shaw park	7/7/2023 9:22 AM
60	Updates to equipment and modern amenities	7/7/2023 7:21 AM
61	I'll come back to this after the survey.	7/7/2023 5:31 AM
62	They connected to the major Greenways and public transit.	7/7/2023 2:07 AM
63	N/a	7/6/2023 7:26 PM
64	1. There were more shade structures and/or large shade trees planted close to all of the playground equipment and along walking paths. Shade is so important especially with young children, it would be great if the playground equipment was shaded for most of the day. 2. There was more playground equipment designed for younger children age 0-5.	7/6/2023 2:25 PM
65	The government actually followed the Will of the people instead of bowing down to corporations in the most disgusting display of capitalism and government failing.	7/4/2023 6:18 PM
66	Maybe create plant ID/arbor walk	7/3/2023 9:09 PM
67	No suggestions	7/3/2023 10:57 AM
68	Updated facilities in memorial park.	7/3/2023 7:29 AM
69	More accessible pool recreation center like Webster Groves	7/1/2023 5:51 PM
70	Took better care of the sports complex	7/1/2023 11:05 AM
71	Had dedicated pickleball courts like Des Peres.	6/30/2023 9:43 AM
72	I keep meeting people who are unaware of the many opportunities that Brentwood Parks and Recreation provides. I think more outreach and marketing might encourage greater participation and involvement.	6/29/2023 7:28 PM
73	There was some upkeep; not just AmeriCorp or volunteers. The volunteers over weeded Memorial Park and kinda ruined the vibe.	6/29/2023 5:47 PM
74	Less goose poop and smell at new park. Might need a few more trash can and recycling cans in existing parks. Memorial park graffiti cleanup	6/29/2023 12:57 PM
75	They had pickle ball courts with permanent nets	6/28/2023 5:18 PM
76	There were some on the west side of Brentwood Blvd.	6/27/2023 2:25 PM
77	updates were made to the older parks	6/27/2023 1:42 PM
78	They used some fertilizer on grass. If they stopped trying to build on or in the parks just focused on doing a great job maintaining the landscaping in our current parks.	6/27/2023 1:23 PM
79	More shade & cooperative improvements along Swim Club Lane	6/26/2023 9:06 AM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

80	More frequent dog poop stations	6/25/2023 11:42 AM
81	There were pickleball courts	6/24/2023 5:40 PM
82	Pickleball courts - ideally you have a venue with 8 permanent courts together. Almost anyone can learn to play and all the parks that have them now, have full courts all the time. Great to bring community together but also attracts good people from outside that will spend money at stores and restaurants.	6/24/2023 5:38 PM
83	They redid broughton park. All other parks are on the outer edges of residential areas, this is a central community park but has limited things.	6/23/2023 7:14 PM
84	The Monday and Wednesday afternoon sessions were called hockey training sessions instead because that is what is has become and it is not only unsafe for public sessions buy not fair because the coaches do not reciprocate - they just invade space whenever they want. Public sessions should not be used for training!!!	6/23/2023 1:33 PM
85	Had more events in park not hot times. Signs for bikes and etiquette along got ran over at new park by deer creek.	6/23/2023 1:20 PM
86	There were more dog friendly spaces and accommodations. We have plenty of plastic playgrounds for kids, most that aren't used. Why not create a dual space, a nature scape like forest park has. We	6/23/2023 9:27 AM
87	The bridge at Memorial Park was redecked	6/22/2023 11:24 PM
88	It would be great if even more community activities took place at the various parks .	6/22/2023 8:39 PM
89	Citizen ambassadors existed to provide personal invites to their neighbors to park events. More personal than just advertising on the website and booklet.	6/22/2023 7:08 PM
90	it had reciprocity with rock hill.	6/21/2023 10:05 PM
91	The parks and walkways had streetlights installed to illuminate paths, making it safer to walk or run in mornings and evenings, especially in winter when the sun is only up while people are at work.	6/21/2023 7:54 PM
92	More amenities (like restrooms or bottle refill station) and opportunities for basic nature play	6/21/2023 7:44 PM
93	Pickle ball courts , tennis courts or basket ball , a outdoor amphitheater with seating for concerts	6/21/2023 5:42 PM
94	More shade in some spots	6/21/2023 5:14 PM
95	ongoing period observations were made to document how various parks are being used and by whom. This would be an informed indication as to what is needed by residents and where/when.	6/21/2023 12:09 PM
96	The baseball fields were improved. The playground equipment at broughton and Hanley could us updating.	6/21/2023 12:00 PM
97	Quality of facilities was a better priority. For example, the baseball/softball fields have the potential to be top-notch facilities for the region to enjoy but they're outdated and not well maintained. Additionally, we no longer have a soccer field to offer the community. A high-quality, multi-use sports complex not only encourages healthy activity for all ages but also provides a valuable draw to our city and source of revenue.	6/21/2023 11:57 AM
98	It had pickleball and a larger grass dog park	6/21/2023 11:29 AM
99	The Rogers Parkway is lighted.	6/20/2023 9:17 PM
100	If the park system was even more well-connected to other neighborhood parks via greenways (e.g. connection to Maplewood, Webster Groves, Clayton, and Ladue area parks.	6/20/2023 8:31 PM
101	Debris would be cleaned off from trails, i.e. large sticks, rocks and mud	6/20/2023 8:01 PM
102	Better connectivity to other trails in maple wood and Webster groves	6/20/2023 5:37 PM
103	More playgrounds	6/20/2023 12:12 PM
104	N.A.	6/20/2023 10:55 AM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

105	Better lit in late fall, winter. Wish water fountains & bathrooms opened in March.	6/20/2023 9:37 AM
106	Had water fountains, including dog fountains and bowls all around the trails and up at the new Brentwood Park. Was very disappointed that dog water fountain not included in the Pavilion area. Additionally, need more trash cans on new trails.	6/20/2023 7:30 AM
107	There was more path lighting on the various walking paths	6/19/2023 6:58 PM
108	They were maintained better.	6/19/2023 1:37 PM
109	there were pickball courts	6/18/2023 8:12 PM
110	If the water fountains had one with a dog bowl similar to the one in oak knoll in Clayton. Love the water bottle filler on the new and wonderful park	6/18/2023 6:42 PM
111	There was a better system for reserving the volleyball courts.	6/18/2023 1:17 PM
112	I think the more green space and the more programs that get people outside and into the community, the better.	6/16/2023 10:52 PM
113	They continued to emphasize incorporating native foliage to help the ecosystem thrive wherever it can	6/16/2023 9:51 PM
114	We had public tennis courts/pickle ball courts.	6/16/2023 9:43 PM
115	I'm addition to playground, a field dedicated to soccer, baseball, or ultimate frisbee.	6/16/2023 9:21 PM
116	There were unidonkeys wearing and dancing in ballerina tutus	6/16/2023 7:50 PM
117	Broughton park needs a soft pad and no mulch that washes away when it rains, also better drainage.	6/16/2023 4:17 PM
118	More sports option like pickleball, tennis. A food/drink option similar to Francis park.	6/16/2023 2:58 PM
119	I would like to see a dog water fountain in the new Brentwood Park, or at least in addition to the existing water fountains at the event pavilion	6/16/2023 2:13 PM
120	A few more child swings	6/16/2023 10:08 AM
121	1. Tennis Court 2.Shade area 3. Pingpang table	6/16/2023 9:33 AM
122	there were inclusive playground equipment (not just ada compliant)	6/14/2023 10:17 AM
123	The roads that are close to the trail system were inspected and carefully maintained for auto and cyclist sharing	6/14/2023 3:25 AM
124	More areas for small children to play- ages 1-3	6/13/2023 7:47 AM
125	There were more community events!	6/12/2023 9:28 PM
126	Better programs	6/12/2023 5:11 PM
127	They were easily connected by a path (which I know is in the works).	6/12/2023 1:52 PM
128	Pond for fishing with littles. Splash pad	6/11/2023 9:54 PM
129	There was more late afternoon/early evening figure skating freestyle time/training ice.	6/10/2023 8:52 PM
130	Start classes early for our senior residents	6/10/2023 12:19 PM
131	Personally, I think that while public input can be important for grand ideas of a park, little details should be decided by people that are experts in such fields. However, I will say that more skateboarding infrastructure such as some sort of skatepark, even at a small scale, would be greatly appreciated by a lot of kids in brentwood that skateboard.	6/9/2023 8:10 PM
132	Pavillions are more accessible	6/9/2023 7:49 PM
133	In the new park, along Manchester, there is shade. Absolutely essential. Provided by trees and shade sails. Trees alone will take a long time to mature.	6/9/2023 10:44 AM
134	More shade for playground equipment. More activities for 7-10 year old kids	6/9/2023 8:16 AM
135	Updated facilities to include current preferences, ie, pickle ball, skateboarding, etc	6/9/2023 4:20 AM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

136	Cleanliness of parks	6/8/2023 10:17 PM
137	Bigger dog park	6/8/2023 9:43 PM
138	More drinking fountains for humans and dogs.	6/8/2023 6:55 PM
139	Playground in the Parkridge neighborhood?	6/8/2023 5:13 PM
140	Just eagerly awaiting the completion of the new destinati	6/8/2023 2:14 PM
141	It had tennis courts!	6/8/2023 1:19 PM
142	More park benches at scenic spots to be admired	6/8/2023 12:10 PM
143	The trails were wheelchair accessible	6/8/2023 11:40 AM
144	Movable shade options were available. More places to lock bikes.	6/8/2023 10:16 AM
145	I'm satisfied	6/8/2023 10:02 AM
146	Facilities were far better maintained	6/8/2023 9:51 AM
147	Updated Broughton park	6/8/2023 9:11 AM
148	Would love an enclosed playground (like Shaw or DeMun) so I know my kids are contained.	6/7/2023 9:19 PM
149	Water & sand area for children to use, sensory activities	6/7/2023 9:10 PM
150	paved trails and natural trails, accessible playgrounds for all ages.	6/7/2023 8:01 PM
151	Some parks have water drainage issues	6/7/2023 2:44 PM
152	Connected easy to Maplewood	6/7/2023 2:08 PM
153	They had a swimming pool	6/7/2023 1:46 PM
154	The parks had things for older children	6/7/2023 12:58 PM
155	Better playgrounds	6/7/2023 12:35 PM
156	We had dedicated pickleball courts	6/7/2023 10:08 AM
157	There were more trails that connected the parks (ie. a train across brentwood blvd.	6/7/2023 10:00 AM
158	More things for older kids, no more mulch	6/7/2023 9:22 AM
159	Splash pads help with summer heat	6/7/2023 9:04 AM
160	A few of the older play grounds were updated to newer sets. Broughton Park and Memorial Park come to mind. They both have rust issues and could use some updating.	6/7/2023 8:49 AM
161	Basketball courts, and pickleball in Brentwood sports complex	6/7/2023 6:50 AM
162	Brentwood Sports Complex needs help, badly! Please improve asap. It's an embarrassment to our city.	6/7/2023 6:27 AM
163	Older playgrounds were updated	6/7/2023 5:25 AM
164	Some were updated.	6/6/2023 11:56 PM
165	There was a larger variety of activities	6/6/2023 10:36 PM
166	If new park connected to deer creek and glen park	6/6/2023 10:36 PM
167	Keep building the trails! They are awesome!	6/6/2023 10:25 PM
168	I've always complained we didn't have a park on the west side, but soon we will. No further complaints.	6/6/2023 10:04 PM
169	Splash pad perhaps.	6/6/2023 9:55 PM
170	The baseball fields are atrocious - have to cross railroad tracks, climb a steep him, over a moat to get to the field. It's embarrassing	6/6/2023 9:54 PM
171	There was a dog park like we used to have and stop chopping all the trees down	6/6/2023 9:50 PM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

172	More parks were connected by the greenways/trails	6/6/2023 9:08 PM
173	The sports complex was better maintained	6/6/2023 9:02 PM
174	More shaded areas for a break at some of the sun heavy parks	6/6/2023 9:02 PM
175	no real complaints. overall great parks, with great equipment for kids. Love the paths! However, maintenance can be slow	6/6/2023 8:54 PM
176	They keep working on getting to the new park space. I'm so excited about it!	6/6/2023 8:44 PM
177	The baseball/softball fields need to be maintained much better. Add pickle ball courts.	6/6/2023 8:44 PM
178	More fenced parks	6/6/2023 8:43 PM
179	Splash pad!	6/6/2023 8:24 PM
180	Soccer fields Park on west side	6/6/2023 8:22 PM
181	We had a local Farmer's Market	6/6/2023 8:17 PM
182	More dog waste collection locations on the walking paths. More walking paths on West side of Brentwood	6/6/2023 8:11 PM
183	Pickleball courts! Lots of them free to public	6/6/2023 8:11 PM
184	Had Pickleball!!! A lot of courts	6/6/2023 8:11 PM
185	I'm not sure	6/6/2023 8:10 PM
186	Keeping poop bags filled at the stations	6/6/2023 8:06 PM
187	There were sports fields that came close to our neighboring communities - especially baseball and soccer.	6/6/2023 8:06 PM
188	The trails had more drinking fountains with dog bowls, they need more pit stops on hot days!	6/6/2023 7:38 PM
189	They took better care of the original Brentwood Park	6/6/2023 7:31 PM
190	I'm excited for a small park to the west of Brentwood Blvd. Right now, for my kids to get to a park, they have to cross a busy road. Having a park on Litzinger by Mount Calvary will be wonderful.	6/6/2023 7:15 PM
191	1- traffic light at russel and Brentwood 2- connection between the parks. For example connect the sports complex to the Brentwood park	6/6/2023 7:09 PM
192	If it represented a broader range of resident interests. It's hard to separate this from recent activity related to Brentwood Bound. The headline has been the 7M "destination playground" and I do not believe that represents interests of the residents; there are a lot of us paying taxes who do not have little kids - would be nice to have something for the rest of us; some of us wasted a lot of life time in a conversation about a real dog park - not only did that not happen, they took away the one behind ACE for the big playground that is being constructed within a mile of Tilles fully accessible playground; would also like to see trails for walking and cycling that connect to something	6/6/2023 7:05 PM
193	I don't know	6/6/2023 7:02 PM
194	No reason	6/6/2023 6:54 PM
195	It would be nice if pull up bars for adults could be added at some point on the trail at Brentwood park	6/6/2023 6:47 PM
196	We embraced people all do not have children	6/6/2023 6:45 PM
197	Enclosed fences around playground spaces. I'm very on edge at playgrounds because I'm always worried my kid will take off running for a street or a creek drop off! Oak Knoll in Clayton is one of our favs because of the fence. I think that's a popular opinion in the St. Louis parent groups.	6/6/2023 6:36 PM
198	If it added pickle ball courts and biking lanes throughout Brentwood/Manchester Road	6/6/2023 6:08 PM
199	There were more opportunities to gather as a community.	6/6/2023 6:07 PM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

200	They kept up with it more	6/6/2023 5:34 PM
201	Keep improving bike trails /access between parks	6/6/2023 5:28 PM
202	The would update and improve the Brentwood Sports Complex, especially the field used by Brentwood High School. What an embarrassment to play on such a poor field.	6/6/2023 5:26 PM
203	There was more activities other than for toddlers/small children.	6/6/2023 5:04 PM
204	They had more staff	6/6/2023 5:01 PM
205	More wildlife trails/walking trails	6/6/2023 4:47 PM
206	Every path could have shade	6/6/2023 4:44 PM
207	More flowers/wildflowers would be fun	6/6/2023 4:36 PM
208	Pedestrian/cyclist infrastructure around the city was better. It's better than most, with the Greenway, but major roads are still a dangerous obstacle. Tunnel under Manchester is great.	6/6/2023 4:35 PM
209	?	6/6/2023 4:33 PM
210	Offered more summer camps	6/6/2023 4:21 PM
211	If the existing parks (sports complex in particular) received as much attention as the New Brentwood Park. The original Brentwood Park was the best thing we had for decades. It's a shame to have let it get into the current condition. You can't blame it only on floods. The park has always flooded but was always put in shape for summer baseball.	6/6/2023 4:19 PM
212	Rain water was more controlled. Rainwater plant areas??	6/6/2023 4:11 PM
213	No specific suggestions. We love the Parks and Rec dept	6/6/2023 4:09 PM
214	Fix some places along Roger's parkway	6/6/2023 3:51 PM
215	I have never utilized the sports complex but I know that many residents share feedback on improvements needed.	6/6/2023 3:49 PM
216	We had a good soccer field that was separate from a good baseball diamond	6/6/2023 3:44 PM
217	Nothing	6/5/2023 4:18 PM
218	Attention to lancaping in some parks	6/5/2023 11:12 AM
219	The open space around the water channels in Brentwood park should not be planted w grass. High maintenance, no real benefit, poor erosion control. Wildflower seed should be sowed this fall. Provides beautiful flowers, lower maintenance, good for wildlife, good attraction for the park, good for erosion control	6/4/2023 2:55 PM
220	Water feature in the dog park.	6/3/2023 3:38 PM
221	At the moment I'm not sure	6/3/2023 3:27 PM
222	More shade for seating were available.	6/3/2023 12:18 PM

5	The woodlands trails where I can feel removed from noise and car exhaust and let my dog explore further on leash.	7/19/2023 12:28 PM
6	It is a quiet park in the middle of the city ...easy to get too lots of parking	7/18/2023 7:02 PM
7	Playground for little kids	7/18/2023 10:07 AM
8	green space, walking trails,	7/17/2023 7:16 PM
9	Hiking trails under the old growth trees.	7/17/2023 9:43 AM
10	The lovely paths through the woods, the proximity to where I live, the nice place for family events, and the playgrounds	7/15/2023 4:40 PM
11	I like the 2 age group playgrounds. Nice when hosting events at the pavilion with big & little kids.	7/15/2023 12:35 PM
12	The trails,especially now that fresh mulch covers the paths and the clearing out of brush making it visible from the park or to the park, makes them feel safer. Like the addition of the small trail south of the west bridge, way to go to the urban planning on that.	7/13/2023 1:53 PM
13	Tons of trees, nice playground, SNO CONES!	7/12/2023 11:05 PM
14	The children's playground	7/12/2023 6:59 PM
15	Trails, snow cone stand	7/12/2023 5:51 PM
16	access from trails	7/12/2023 4:49 PM
17	Age appropriate playgrounds. Natural trails. Linked to other park via path	7/12/2023 7:06 AM
18	2 separate playgrounds	7/11/2023 10:06 PM
19	In-line rink and nature trails	7/11/2023 7:51 PM
20	Which one is that?	7/11/2023 6:43 PM
21	Adequate parking, roller rink and multi-age play equipment. Pavilions are great for large gatherings.	7/11/2023 2:03 PM

39	All the trails opened up and cleaned up for everyone to enjoy	7/8/2023 11:56 AM
40	Its a nice forest like escape right in the city. Quiet.	7/8/2023 10:56 AM
41	Accessibility	7/8/2023 9:34 AM
42	The playgrounds and large pavilion are great for hosting events.	7/8/2023 9:21 AM
43	I haven't been to this park but Ithrough this survey I just learned about the walking paths and 2 playgrounds.	7/8/2023 9:20 AM
44	The pavilions and snowcone stand	7/8/2023 9:14 AM
45	The wooded trails and the smaller playground area.	7/7/2023 12:25 PM
46	The toddler playground is separate from the main playground, but close by. My toddler is afraid of the high energy of bigger kids, but she learns a lot through observation at her age. Having a separate space for her age group where she can still see the other kids is just perfect.	7/7/2023 11:53 AM
47	The bridge and the landscaping	7/7/2023 9:51 AM
48	The shady areas; small wilderness trails to explore with young children; two types of playgrounds at one location (one playground for older children and one playground younger children/toddlers) so entire family can have fun at same park; covered picnic tables; nearby restroom so kids can stay and play longer; snow cone stand in the parking lot; easy access to playgrounds from parking lot.	7/7/2023 9:42 AM
49	The skating rink. My kids and I love having a skating rink in one of our parks. The playground is nice for younger kids but age 8 my children are easily bored with the larger playground	7/7/2023 7:24 AM
50	Proximity to my house. Natural walking paths in the woods	7/7/2023 5:32 AM
51	The newer young kids playground and the convenient location close to bathrooms, drinking fountain, parking, walking path and nature trails.	7/6/2023 2:27 PM
52	The wooded area with trails to walk	7/5/2023 8:28 PM
53	Playground and pavilions. Love the trees that shade the area.	7/4/2023 6:43 PM
54	Woodland walk	7/3/2023 9:10 PM

62	The wooded area with walking path	6/28/2023 5:20 PM
63	The hiking trails are fantastic, and I love that invasive plants are removed to make way for natives.	6/27/2023 1:43 PM
64	I don't use Memorial Park.	6/27/2023 1:23 PM
65	The WOODS. The ability to walk in a loop both through the park and in the woods rather than out and back.	6/26/2023 9:07 AM
66	n/a	6/24/2023 5:41 PM
67	I used the pickleball courts when they first opened, but the nets are not permanent. You need more courts that are permanent. I played basketball there and it's great for that and it looks like many young people enjoy the sand volley ball, but that's not a sport many people will play.	6/24/2023 5:40 PM
68	Snow cone stand near by . Connected to trail	6/24/2023 7:42 AM
69	That it is next to a forest and creek. Secluded. Two different playgrounds for different age groups.	6/23/2023 7:16 PM

Q5 Memorial Park could be better if ...

Answered: 148 Skipped: 126

#	RESPONSES	DATE
1	there were existential signs throughout the park that reminded you that life sucks and people are dumb and are destroying the planet	8/18/2023 3:28 PM
2	Frisbee golf baskets, more drinking fountain, French around younger kids playground because it is close to the road.	7/20/2023 7:13 PM
3	It's a nice meeting place for groups, but kindly do not block paths for walkers Consider a more protected pathway for pedestrians to navigate from here to Brentwood forest. The crosswalk by the YMCA is at an awkward angle and it's a dangerous intersection.	7/20/2023 8:50 AM
4	No qualms here	7/19/2023 12:28 PM
5	That building with the bathroom was actually used.	7/18/2023 10:07 AM
6	park benches, drinking stations w bottle fillers, no more developed options like play grounds and event spaces	7/17/2023 7:16 PM
7	Unknown at this time.	7/17/2023 9:43 AM
8	We had more/better water fountains	7/15/2023 4:40 PM
9	not sure.	7/15/2023 12:35 PM
10	Continued maintainance of this natural forested area	7/13/2023 1:53 PM
11	This park is perfect for a small disc golf course. Even 3-9 holes would be great.	7/12/2023 11:05 PM
12	There was more to do there	7/12/2023 6:59 PM
13	Creek access	7/12/2023 5:51 PM
14	there were more seating options near playground	7/12/2023 4:49 PM
15	Standing water issues not sure what can be done	7/12/2023 7:06 AM
16	New big kid playground	7/11/2023 10:06 PM
17	More open space to play	7/11/2023 7:51 PM
18	Where is it?	7/11/2023 6:43 PM
19	Improve drainage and standing water after precipitation. Bathrooms aren't open for use. The bridge seems like it will collapse when crossing. Lighting is poor.	7/11/2023 2:03 PM
20	The two bridges walking surface is replaced. They have been overlayed with plywood as a temporary solution, but the aged wood likely needs to be fully replaced on the frame.	7/10/2023 3:36 PM
21	Maybe add a splash pad? Honestly this park is pretty amazing already	7/10/2023 8:05 AM
22	Had better lighting	7/9/2023 9:26 PM
23	...all the honeysuckle is removed. There's still a lot along the creek to the west of Busy Bee Pavilion	7/9/2023 3:41 PM
24	It's great!	7/9/2023 10:12 AM
25	Fencing, bathrooms, and trails were repaired/ updated	7/9/2023 8:06 AM
26	There was a better, safer crossing to access it over Strassner. Also, a better sidewalk along Strassner on Memorial park side	7/9/2023 7:02 AM
27	It's a great park	7/9/2023 2:56 AM

30	Pickle ball courts	7/8/2023 8:25 PM
31	N/a	7/8/2023 1:00 PM
32	If there was more to do.	7/8/2023 10:56 AM
33	Add some bocce ball courts! Something to expand potential use of park, give adults a feature to drive more use.	7/8/2023 9:34 AM
34	it had an updated bathroom.	7/8/2023 9:21 AM
35	We are new to the community and it is not easy to spot since it's tucked away in an industrial area and you don't what's available. It looks a little run down from the street. Improving signage and improving the look of the parking lot with landscaping would make it more inviting.	7/8/2023 9:20 AM
36	Playground was updated	7/8/2023 9:14 AM
37	There were shade canopies for the smaller playground. The play surface and whole area gets very warm in the sun.	7/7/2023 12:25 PM
38	It's great	7/7/2023 9:51 AM
39	Updated restrooms; more shade at the toddler play area; YMCA did not dominate the park for the entire summer with camps (posting online schedule of publicly available times would help avoid wasted outings and disappointed kids).	7/7/2023 9:42 AM
40	More modern big kid playground, water features are a must in summer heat	7/7/2023 7:24 AM
41	It were bigger	7/7/2023 5:32 AM
42	It served more as a gateway and wasn't so hidden behind all the warehouses. A Greenway connecting it to the Brentwood Metrolink and across Brentwood Blvd by container store/rei, etc	7/7/2023 2:09 AM
43	The larger playground was updated, and both playgrounds had more shade trees planted on the west side for afternoon shade.	7/6/2023 2:27 PM
44	There were bike racks, used to be bike track by the pavilion, i think it was removed	7/5/2023 8:28 PM
45	More lighting on path at night, but not too bright. Maybe motion detected	7/3/2023 9:10 PM
46	?	7/3/2023 10:57 AM
47	Update facilities: better landscaping especially from creek	7/3/2023 7:35 AM
48	The building/ restrooms were renovated.	6/30/2023 9:45 AM
49	A dog water fountain would be nice.	6/29/2023 7:31 PM
50	The trees and vegetation were replanted and the trails had some interesting sniff stations for dogs or maybe some little trail features for exercise	6/29/2023 5:50 PM
51	Less graffiti	6/29/2023 12:57 PM
52	No improvements necessary	6/28/2023 5:20 PM
53	N/A	6/27/2023 1:23 PM
54	We had the water fountain with a dog bowl attached.	6/26/2023 9:07 AM
55	there were pickleball courts	6/24/2023 5:41 PM
56	Permanent pickleball courts	6/24/2023 5:40 PM
57	More shade	6/24/2023 7:42 AM
58	It was clearly advertised when the bathrooms are open seasonally.	6/23/2023 7:16 PM
59	Maybe built restraurant and bar there with the shade to hang in. People can do hang out there after volleyball basketball and roller hockey.	6/23/2023 1:21 PM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

60	The bathrooms and pavilions need a little attention.	6/23/2023 9:30 AM
61	The decking on the bridge over Black Creek was replaced	6/22/2023 11:25 PM
62	Not sure	6/22/2023 7:12 PM
63	It had better lighting.	6/21/2023 7:55 PM
64	Never been there	6/21/2023 5:43 PM
65	Add much more shaded spots. Pavilions or small shaded areas with picnic tables	6/21/2023 5:14 PM
66	there were designated times in the summer for residents to have use of the pavilions when park is used by summer camps. This sometimes also leads to trash cans overflowing.	6/21/2023 12:14 PM
67	We considered expanding the inline area to include a community skate park. Combining the activity in one spot could unify that area and offer a unique connection to nature and a more urban sport/activity.	6/21/2023 12:02 PM
68	The playground equipment was updated.	6/21/2023 12:01 PM
69	The trails were more identified	6/21/2023 11:36 AM
70	Drainage near the concrete pathway west of the bridge was improved. Mud collects on the sidewalk after heavy rain.	6/20/2023 8:34 PM
71	No comment	6/20/2023 8:02 PM
72	It is great please don't over manicure it or cut down trees.	6/20/2023 5:39 PM
73	More trees	6/20/2023 12:32 PM
74	More of a barrier to the street. It's so close and people speed down that street	6/20/2023 10:57 AM
75	That tiny bldg would be rented.	6/20/2023 9:40 AM
76	None	6/19/2023 6:59 PM
77	It had a splash pad.	6/19/2023 1:39 PM
78	Access to the stream could be improved	6/18/2023 8:13 PM
79	I have not thought about that	6/18/2023 6:44 PM
80	N/a	6/18/2023 1:18 PM

82	N/A	6/16/2023 9:54 PM
83	If there were pickle ball courts	6/16/2023 9:23 PM
84	More swings	6/16/2023 7:52 PM
85	Bigger kid playground was updated	6/16/2023 4:18 PM
86	bathrooms open year-round	6/16/2023 2:14 PM
87	Na	6/16/2023 10:09 AM
88	Renew The big playground	6/16/2023 9:35 AM
89	There were more trees and wildflowers	6/12/2023 9:30 PM
90	The path in the wooded area was more well kept as well as cleaning up by the water.	6/12/2023 1:53 PM
91	It would be better if there was a little more covered area for events like YMCA camps that use it	6/9/2023 8:11 PM
92	Can't think of anything	6/9/2023 10:46 AM
93	Bridges were painted different colors	6/9/2023 8:17 AM
94	it was bit bigger	6/8/2023 10:18 PM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

95	Its perfect	6/8/2023 1:19 PM
96	Add more benches along the paths	6/8/2023 12:11 PM
97	There was a stop sign where the pedestrian crossing across Strassner was	6/8/2023 11:41 AM
98	no suggestions at this time	6/8/2023 10:19 AM
99	A water feature was added.	6/8/2023 9:52 AM
100	Needs complete overhaul with exception of play area	6/8/2023 9:12 AM
101	Some uneven ground around the little kid playground.	6/7/2023 9:20 PM
102	Larger area/larger playground for children under 5 years of age. Also the big playground area isn't the best for children ages 5,6,7. Some of the playground climbers are really high.	6/7/2023 9:12 PM
103	Accessible playground	6/7/2023 8:02 PM
104	Replace mulch around playground to rubber surface	6/7/2023 2:47 PM
105	Better bathrooms and better playground	6/7/2023 12:35 PM
106	There were dedicated pickle ball courts	6/7/2023 10:08 AM
107	Playground updated	6/7/2023 5:26 AM

#	RESPONSES	DATE
1	there was a guy that constantly sat at a picnic table eating the most gigantic and sloppy sandwich you have ever seen, and as you walked by he would just stare at you and eat the sandwich not blinking, and on the rare occasion he would wink at you.	8/18/2023 3:28 PM
2	it had pickleball	7/20/2023 8:07 PM
3	Bathrooms that are open year-round. Small playground area.	7/20/2023 7:16 PM
4	Consider clearing an area near the creek with protective rail to view the creek	7/20/2023 8:53 AM
5	no notes	7/19/2023 12:30 PM
6	It's a great park	7/18/2023 10:08 AM
7	the dog park was of a higher quality i would use this park. i have a dog and belong to a dog park in another municipality	7/17/2023 7:18 PM

17	Dog park	7/11/2023 7:51 PM
18	No clue	7/11/2023 6:44 PM
19	Improved shading by courts. Better traffic signage at parking entrance. Improved barrier along industrial court road.	7/11/2023 2:07 PM
20	Additional parking	7/11/2023 1:37 PM
21	We used to use the tennis courts, but understand they were worn out. Hoping to use the volleyball and basketball courts once our kids are older.	7/10/2023 8:15 AM
22	Permanent pickleball courts	7/9/2023 9:27 PM
23	The temporary dog park was improved to the level of the dog park that was planned for Ed West before Brentwood Bound happened	7/9/2023 3:46 PM

29	Skateboard obstacles along the path or little pockets with a few small obstacles	7/8/2023 9:36 PM
30	Pickle ball courts and more memberships to the dog park allowed.	7/8/2023 8:26 PM
31	Don't love that the youth playing basketball are often blasting inappropriate music (horrible language!) with families including children nearby, Again, more police presence to keep walkers and visitors safe. (As a female, sometimes walking the trails can feel uneasy)	7/8/2023 2:27 PM

33	We had tennis courts available	7/8/2023 11:57 AM
34	If it were a little bigger. But understand space is the limitation.	7/8/2023 10:57 AM
35	Add some bocce ball courts with shade sails and some kind of lighting. Cafe lights would be sufficient	7/8/2023 9:35 AM
36	Update literature on the brentwood website about whether the dog park is fully fenced.	7/8/2023 9:24 AM
37	not sure.	7/8/2023 9:22 AM
38	Improvements were made to the dog park to help with standing water and mud.	7/7/2023 12:26 PM
39	It's great	7/7/2023 9:53 AM
40	More drinking stations	7/7/2023 9:45 AM
41	It's fine, just more of an older kids/adult park	7/7/2023 7:26 AM
42	The dog park were bigger	7/7/2023 5:33 AM
43	Same remarks as memorial park.	7/7/2023 2:09 AM
44	1. More shade trees planted close to the volleyball court, it gets really hot 2. Fencing to enclose the volleyball court would be nice	7/6/2023 2:30 PM
45	There were bike racks, had to lock my bike to a fence when i met a friend to walk there	7/5/2023 8:29 PM
46	Improved dog park. I loved the one across Manchester. This one is too small and lacks a good area for the dogs to really run. It also looks messy with the boards along the bottom.	7/4/2023 6:45 PM
47	Parking	7/3/2023 7:35 AM
48	It's pretty nice as is. I wish the new trees along the path would grow faster.	6/29/2023 7:34 PM
49	It felt less industrial. Had a better dog park...maybe the pavilion could be for dog parties too!	6/29/2023 5:56 PM
50	water access in winter	6/29/2023 12:59 PM
51	Designated and separate pickleball courts (at least two) that have nets permanently out	6/28/2023 5:22 PM
52	NA	6/27/2023 1:24 PM
53	The path coming from Memorial Park could have shade. Pretty desolate until the bathroom area when it is hot.	6/26/2023 9:08 AM
54	need permanent pickleball courts	6/24/2023 5:41 PM
55	All my notes for memorial park were for Hanley Park. Sorry for confusion.	6/24/2023 5:41 PM
56	Nothing. Great park. Maybe add pickleball?	6/23/2023 7:17 PM
57	Dog park didn't have rock that gets in my dogs lungs. Maybe some sort of water system for winter. The rock powder is really bad when it's not wet. Maybe turf? Turf smells like pee not sure the answer here. A cement dog washing station would be awesome cause the powder gets all over the dogs. A hose and a concrete bench like stall elevated with a hook to latch leash would be nice.	6/23/2023 1:24 PM
58	Water bottle fountain	6/23/2023 10:50 AM
59	The dog park was given the same level of attention that the other areas are given. Often feels like an after thought.	6/23/2023 9:35 AM
60	A new comfort station/pavilion	6/22/2023 11:26 PM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

61	More benches	6/22/2023 8:40 PM
62	Maybe add a few horseshoe pits in the grass by the basketball court.	6/22/2023 7:13 PM
63	Don't know	6/21/2023 5:43 PM
64	the baseball field could be used for regular games. That would require better parking area, lighting, etc. but Brentwood has a strong youth baseball team that would benefit from their own area.	6/21/2023 12:17 PM
65	We added an additional sport court dedicated to pickleball or tennis and expanded the size and increased the quality of the dog park.	6/21/2023 12:04 PM
66	No suggestions!	6/21/2023 12:03 PM
67	The pickleball courts were actually available for pickleball	6/21/2023 11:37 AM
68	There was more seating near the basketball or volleyball courts.	6/20/2023 8:35 PM
69	No comment	6/20/2023 8:03 PM
70	No changes needed it is great.	6/20/2023 5:40 PM
71	More courts	6/20/2023 12:33 PM
72	Parking wasn't taken up by those attending the exercise facilities. Bigger dog park	6/20/2023 9:41 AM
73	A light in the dog park for the winter months. Also more parking	6/19/2023 7:00 PM
74	Better dog bags	6/18/2023 6:45 PM
75	It was easier to reserve courts and if there was a place to post reservations so others know.	6/18/2023 1:19 PM
76	I can't think of anything	6/16/2023 10:55 PM
77	Calling the basketball court a " /pickleball court" is irritating. I'm glad they put in the basketball court, but now the pickleball and tennis courts that have actual nets are hidden behind locked doors and an exclusive swim club membership, which is unfair. Hanley park is great, but please find a new spot in one of your new parks for some tennis + pickleball courts that don't require a waitlist and 500 dollars a year to get to.	6/16/2023 10:09 PM

18	More shaded seats and possibly fence by the creek to prevent kids from playing in it.	7/10/2023 3:39 PM
19	It was connected across Manchester	7/10/2023 8:16 AM
20	Playground is old and outdated	7/9/2023 9:27 PM
21	Seems fine now	7/9/2023 3:48 PM
22	Trail extended to safe crossing to new Manchester shared use path, and extended East to Maplewood Metrolink station	7/9/2023 12:52 PM
23	More shade - places to sit out of the sun other than just the pavilion? Maybe plant more trees surrounding the playground area?	7/9/2023 10:14 AM
24	No notes	7/9/2023 8:09 AM
25	There was sound mitigation done from the nearby factory, it can be so loud and invasive when at the park	7/9/2023 7:04 AM
26	It's great	7/9/2023 3:01 AM
27	Creek was cleaner	7/8/2023 9:36 PM

29	More shade around the playground for parents.	7/8/2023 8:27 PM
30	N/a	7/8/2023 1:01 PM
31	Water stations for humans and dogs	7/8/2023 11:58 AM
32	Never used it.	7/8/2023 10:57 AM
33	Consider allowing low speed vehicles to use the paths here since it's away from parking. This would allow seniors with limited mobility the opportunity to take their grandkids to the park. Accessing from Litzsinger by low speed vehicle would be a very welcome update to the LSV ordinance	7/8/2023 9:38 AM
34	Looks like there is room for expansion at this park and it would be nice to have tennis courts available or more walking trails.	7/8/2023 9:27 AM
35	Shade canopies! This playground is incredibly hot in the sun which makes it difficult to enjoy during the day.	7/7/2023 12:27 PM
36	Needs a dog water fountain	7/7/2023 9:54 AM
37	More accessible for sledding in the winter; more shaded sitting areas for parents and grandparents next to the playground; emergency button for added security since park is so isolated	7/7/2023 9:50 AM
38	There is a basketball hoop in the parking lot, makes no sense. Plenty of area near the pavilion and playground for a single basketball hoop	7/7/2023 7:29 AM
39	More shade trees were planted really close to the playground, it gets very hot and sunny	7/6/2023 2:31 PM
40	Separate bike/walking path—perhaps delineated by different color. For example, red = bike	7/3/2023 9:12 PM
41	Add more Shade and remove those gliders (not safe for kids)	7/3/2023 7:35 AM
42	It's a bit isolated from neighbors and, as a result, feels less safe. More bike patrols from police might help.	6/29/2023 7:38 PM
43	The curb was removed from the road across the sledding hill so kids could sled more smoothly. Maybe make an orienteering trail through the adjacent Louis land?	6/29/2023 5:58 PM
44	Less noise pollution from neighboring business	6/29/2023 1:00 PM
45	No improvement needed	6/28/2023 5:23 PM
46	There was a bridge/overlook or some other way to interact with the creek environment there (without actually getting into the water)	6/27/2023 1:44 PM
47	we could figure out a solution for a dog bowl. In past summers, there was just a bowl on the ground by the water fountain. This summer I've dug stuff out of the recyclable trash so my dog can drink with me.	6/26/2023 9:12 AM
48	need permanent pickleball courts	6/24/2023 5:42 PM
49	Clearly advertise when bathrooms are open and closed for the season.	6/23/2023 7:17 PM
50	No comments	6/23/2023 2:28 PM
51	Sound barrier from factory. You cut down a lot of sound barrier and I live on louis and it's louder. The rubber flooring just replaced at park seemed pretty toxic. Would be cool to have movie night or concerts there lots of room on hill. Wine tastings etc ?	6/23/2023 1:26 PM
52	More trees were added on the inside of the trail loop, to provide some shade on/around the playground	6/22/2023 11:29 PM
53	It didn't flood	6/22/2023 8:40 PM
54	Had more shade. Most equipment way too hot in summer. Signs showing hours and days/ months when restrooms are open.	6/22/2023 7:14 PM
55	the undeveloped area could be used to create spaces we are lacking (soccer field, baseball field, etc.) that are mentioned as unmet needs by citizens.	6/21/2023 12:20 PM

57	no comment. I think Oak Tree Park is good as is.	6/21/2023 12:05 PM
58	A greenway connection to the new park was built along the creek and under Manchester near Hanley.	6/20/2023 8:37 PM
59	The exercise women's group would not block the main trail with their exercise mats on Saturdays and some days during the week.	6/20/2023 8:05 PM
60	I guess clean up the trails in the hills more.	6/20/2023 5:40 PM

64	It is not one that I would use frequently since the new park opened	6/18/2023 6:47 PM
65	There was more shade.	6/18/2023 1:21 PM
66	There wasn't a giant electric tower looking over it.	6/16/2023 10:56 PM
67	The big machine noise wasn't so loud. But I realize there's probably not much you can do about that	6/16/2023 10:10 PM
68	Frisbee golf and/or horse shoes	6/16/2023 9:28 PM

74	It utilized the cut through to Mark Twain more by widening this path and better signage... use the cut through trail options this property gives us. We can get to Brentwood Park from here two ways not just one...	6/14/2023 3:33 AM
75	More seating and shade for lunch	6/12/2023 9:33 PM
76	Adding a climbing structure for older kids.	6/12/2023 1:54 PM
77	A few more trails on the western edge maybe?	6/9/2023 8:13 PM
78	More accessible	6/9/2023 7:50 PM
79	Can't think of anything	6/9/2023 10:49 AM
80	More shade for play equipment	6/9/2023 8:19 AM
81	Signage	6/9/2023 4:30 AM
82	Some angled shade and a water feature was near the play structure.	6/8/2023 2:53 PM
83	It had an escalator up the hill	6/8/2023 1:21 PM
84	There wasn't such a steep walk up to parking.	6/8/2023 11:43 AM

111	Ugh! The constant and annoying whirring mechanical sound from the industry behind it. I think it is from the Pfizer plant. It is day and night 24/7. Aren't they in some kind of noise violation?	6/6/2023 7:04 PM
112	None	6/6/2023 6:55 PM
113	Fencing to prevent kids from wandering off to the edge/drop off into the creek. My 3 year old has randomly jumped off the playground equipment and made a beeline for the edge twice in the last six months!	6/6/2023 6:51 PM
114	PLEASE add more shade options. In the summer the park is unusable after about 9 am	6/6/2023 6:10 PM
115	N/A	6/6/2023 6:10 PM
116	The noise from adjacent buildings wasn't so loud ... it ruins the peaceful vibe that I want in a park Also, more shade on the playground equipment	6/6/2023 5:53 PM
117	Perfect for me as is.	6/6/2023 4:52 PM
118	The path in the park is very steep towards the top. If that paved path is ever redone, it would be great to make it less steep at the top by building up a bit more at the bottom	6/6/2023 4:40 PM

#	RESPONSES	DATE
1	There are always cigarette butts everywhere and it always smells like weed (I'm not complaining)	8/18/2023 3:28 PM
2	It's the closest park to my home	7/20/2023 8:09 PM
3	Location	7/20/2023 7:20 PM
4	Great to see all the families enjoying the playground here. Love the native plants in the garden	7/20/2023 8:56 AM
5	Mostly the trail connection.	7/19/2023 12:38 PM
6	Is a green oasis and the kids love the playground	7/18/2023 7:03 PM

10	The playground and grassy area	7/15/2023 4:43 PM
11	We used this park a lot when our kids were young - ages 1-4. Because it is a small park and the equipment isn't geared towards older kids it always felt like a safe place for my kiddos to play without getting "run over" by bigger kids - which happens at Tilles a lot.	7/15/2023 12:38 PM
12	closeness to the schools and library so that outdoor space can be utilized for the children	7/13/2023 2:02 PM
13	Down the street from my house.	7/12/2023 11:09 PM
14	Convenient to where I live	7/12/2023 7:02 PM

#	RESPONSES	DATE
1	the playground was taken away and replaced with a cart or food truck that just sells edibles, bongos, pipes, etc (Make it real kid friendly)	8/18/2023 3:28 PM
2	there was a drinking fountain	7/20/2023 8:09 PM
3	Add concealed porta potty. New playground equipment what's there is old. Add drinking fountain. More event planned to utilize the grass area.	7/20/2023 7:20 PM
4	Maybe more seating around the perimeter	7/20/2023 8:56 AM
5	It's too close to streets. Either shut off mary completely or get rid of the playground. It's horrible design. The only reason it exists is for the two homes and their cars. I have a pedestrian friendly answer to every argument against shutting that street down.	7/19/2023 12:38 PM
6	Not sure	7/18/2023 1:17 PM
7	park benches, drinking stations w bottle fillers, no more developed options like play grounds and event spaces inless made of natural materials like stone	7/17/2023 7:29 PM
8	It had more/better water fountains and bathrooms	7/15/2023 4:43 PM
9	The picnic tables in the pavilion look dumpy.	7/15/2023 12:38 PM
10	older children would like swings or more age appropriate equipment for them.	7/13/2023 2:02 PM
11	Bigger playground.	7/12/2023 11:09 PM
12	Keep the sidewalks clean	7/12/2023 7:02 PM
13	No change	7/12/2023 5:53 PM
14	it had a drinking fountain	7/12/2023 4:51 PM
15	New playground and bathroom	7/11/2023 10:13 PM
16	More parking. Improve shelter	7/11/2023 7:52 PM
17	This is a neighborhood park - not a city park, imho as there is no parking. Ward I and IV can't use it realistically	7/11/2023 6:46 PM
18	Play equipment for older kid play. Older sibling have little choice since swings are for babies and playground is geared towards 3-5 yr olds. Lighting is awful. Some people frequent the pavilion or play area at night and are invisible to passersby. Having unlit spaces where people are able to hang out unattended and unseen is a major safety issue for those that live around and utilize the area in the evenings and early mornings. Adding additional spaces or enclosed spaces, like bathrooms, only complicates safety of community members and adds additional tax dollar burdens for maintenance. Standing water and drainage is a HUGE issue at this park. Cross traffic is a huge problem on either side of this park and makes pedestrian access difficult at times.	7/11/2023 2:40 PM
19	Trail raised a bit to prevent mud from the playground surface.	7/10/2023 3:40 PM
20	The playground was a bit more expensive and/or bathroom facilities	7/10/2023 8:17 AM

27	New equipment with parkour/ninja features	7/8/2023 9:37 PM
28	More swings for kids with disabilities that are inclusive.	7/8/2023 8:28 PM
29	Keep mulch a little fresher and grass and trees trimmed appropriately / general maintenance - sometimes it looks tired and overgrown.	7/8/2023 2:28 PM
30	Better playground for more ages	7/8/2023 1:01 PM
31	Water station for humans and dogs and lighting for evening walkers	7/8/2023 11:59 AM
32	Never used it.	7/8/2023 10:57 AM
33	Update the playground. Adding a bocce ball court here would be so cool. A place for adults to gather and bring their own balls to play. Recommend two courts but one would suffice. Some kind of lighting like cafe lights would give it a really cool ambiance and add to the neighborhood feel. Strongly recommend this low cost option. Outdoor courts just fine gravel/rock screenings and are framed in.	7/8/2023 9:42 AM
34	The play ground equipment could be improved.	7/8/2023 9:35 AM
35	it had a bathroom.	7/8/2023 9:23 AM
36	The playground structure needs to be updated. There are some sharp and rusty areas, particularly on the stairs, that are dangerous and have scratched our son.	7/7/2023 12:29 PM

41	1. The playground equipment was updated and the crosswalks nearby were more obviously marked/signed 2. Shade trees planted on the western side to provide afternoon shade on hot days.	7/6/2023 2:34 PM
42	Walking path on both sides of playground	7/3/2023 9:13 PM
43	Mud/run-off; big kid swings	7/3/2023 7:35 AM
44	It had elementary school aged equipment instead of preschool aged equipment, given its location.	6/29/2023 7:40 PM
45	It were kept up. It's old and broken. Why are there only baby swings? Everyone wants to swing!	6/29/2023 6:00 PM
46	Playground could use a little maintenance	6/29/2023 1:01 PM
47	More swings at playground	6/28/2023 5:24 PM
48	The playground were updated, some additional items added for older kids (like big kid swings), and a doggie bag station added. Dog poop is a big problem along the path here, and this park is used frequently by young kids and for library programs, so the dog poop problem becomes a big clean up for parents.	6/27/2023 1:46 PM
49	we had a water fountain, with dog bowl!	6/26/2023 9:13 AM
50	need permanent pickleball courts	6/24/2023 5:42 PM
51	Needs new playground equipment. More options. Sign says park is aged 2-12 but only swings for 2-3 year olds. Add big kid swings and more slides. This is the Central Park in Brentwood, fill grassy spaces with more playground equipment. Clean up sometimes rowdy middle schoolers or teenagers who often congregate under pavilion. Maybe give them a skate park in Hanley park, park aged 2-12. Offer to buy out adjacent houses garage access (2 houses) so awkward through street can be added to park. This street causes an awkward kindof 4 way intersection that is dangerous.	6/23/2023 7:22 PM

60	It had a restroom but I realize the footprint doesn't allow. Just would be better for folks with disabilities and little ones prone to potty accidents - we've had some close calls getting back home in time.	6/21/2023 7:48 PM
61	It was bigger	6/21/2023 5:44 PM
62	the items mentioned by some of the youth (steering wheel, etc.) were replaced/repared and maintained. It is often a hangout for middle schoolers merely due to location and not due to only infant swings available.	6/21/2023 12:22 PM
63	The equipment is worn out and dated. Could use some updating. I think it needs the most attention	6/21/2023 12:07 PM
64	The playground equipment was updated and enhanced.	6/21/2023 12:06 PM
65	No big needs here...swings could be less squeaky and the mulch could be replaced with a surface like Oak Tree Park.	6/20/2023 8:40 PM

96	Better playground, updated	6/7/2023 9:17 PM
97	Accessible modern playground	6/7/2023 8:08 PM
98	This park is the most utilized. It should be updated completely. Every time it rains the playground mulch gets washed away. Swing set is for toddlers only	6/7/2023 2:55 PM
99	It 100% needs to be elevated so children older than 4 can use it. There is enough space to add a climbing structure or simply put swings and monkey bars older kids can use.	6/7/2023 1:00 PM

31	None! Such a great use of green space. We are excited to use this trail to get to Brentwood park.	7/7/2023 12:30 PM
32	Add water fountains along the trail; could add activities/stations along the trail similar to physical challenges along the trail in Tilles park; additional benches along the trail for parents to supervise children riding bikes/scooters	7/7/2023 10:05 AM
33	More flowers	7/7/2023 9:56 AM
34	We love it	7/7/2023 7:34 AM
35	More amenities were added to draw in more active use rather than its current passive form.	7/7/2023 2:10 AM
36	there were more large shade trees planted along it, and some fencing especially in areas where it comes close to the street for safety	7/6/2023 2:36 PM
37	More water stations, flowers	7/5/2023 8:31 PM
38	Maybe bit wider path	7/3/2023 9:14 PM
39	Light-up; caution crossing at litzinger and speed tables Landscaping around parkway improved	7/3/2023 7:35 AM
40	Better trail user experience. Improve landscaping, create areas for people to stop and rest, etc. Reference how GRG does trail alignments for reference.	6/30/2023 9:46 AM
41	It would be better if people leashed their dogs. I've seen multiple people walk dogs with no leash and/or poor control of their dog. This park is particularly bad for poor dog owner behavior.	6/29/2023 7:48 PM
42	Americorps hadn't overpruned the trees and hung ugly plastic signs. More water fountains and dog bowls would be great. Please keep it small, quaint and sweet. Don't make it too modern looking or overbuild it. It's just lovely now	6/29/2023 6:02 PM

56	It's great	6/21/2023 1:13 PM
57	the small displaced playground would be replaced...if that is not in the plan.	6/21/2023 12:24 PM
58	it was better maintained...weeds and erosion in areas leaves it unattractive in many places. Irrigation in some parts could allow for better grassy areas and including some designed rain gardens or wild flower/planting areas could enhance the appearance as well as manage stormwater runoff better.	6/21/2023 12:10 PM
59	The path needs lighting. Better hand scaping and landscaping would be great. Only if we had the same zeal for the parkway as we do for the extravagant destination playground.	6/20/2023 9:20 PM

112	There needs to be a street light on the pool road where the foot path from White Ave joins Rogers Pkwy. It would be easy to install and connect into the lights that are already on White Ave (the 8700 side) Idea: could some chess game tables be installed along the parkway to encourage more passive activities for those who are not up to long walks	6/6/2023 6:03 PM
113	Maybe a dog bag dispenser with the trash can at the White Ave entrance. And always, all the shade plants and trees that can be added are so welcome in our warming world, specifically between the school and the new construction, and just before the swim club where I feel like we've lost some shade.	6/6/2023 4:58 PM
114	It connected more places. The only well maintained pedestrian/cycling infrastructure in Brentwood is recreational. Parks and rec shouldn't have to be in the business of providing transportation infrastructure, but here we are.	6/6/2023 4:50 PM
115	If there was a safe from traffic connection from the west side of town. Riding a bike and even walking along Litzsinger on the west and Eulalie on the east is always an adventure.	6/6/2023 4:39 PM

119	I miss the playground/sitting viewing area that was at the end of the path right before Manchester. I know that we have the new park on the other side of Manchester now that will have a destination playground but this was a great spot for the Mark Twain south side of the neighborhood kids to congregate and play where they are still within range of their homes.	6/6/2023 3:58 PM

Q15 Brentwood Sports Complex could be better if ...

Answered: 139 Skipped: 135

#	RESPONSES	DATE
1	Could it be drier and could the water fountains work less, and could there be more people standing at the edge of the woods trying to get you to buy drugs?	8/18/2023 3:28 PM
2	there were more parking for events	7/20/2023 8:12 PM
3	Year round bathroom access, fix the flood wall where it was ruined, shaded seating area for stands, bathroom access near playground could be porta potties. We're sitting near the field by the playground.	7/20/2023 7:39 PM
4	N/a	7/20/2023 8:58 AM
5	Repair it.	7/19/2023 2:11 PM
6	It too had better flood remediation or water runoff solutions	7/19/2023 12:45 PM
7	The fields were taken better care of ...it used to be a premier complex and now it is just run down	7/18/2023 7:04 PM
8	Better turf	7/18/2023 10:10 AM
9	there isnt much in the sports complex other than the ice rink and meeting rooms ...there is programming in the meeting rooms. my concern though w adding more services is if it increases park costs to the point that the city then needs to do more redevelopment and take small businesses and residents to support the increased city costs	7/17/2023 7:39 PM
10	I don't know this park, but it probably needs more water fountains	7/15/2023 4:45 PM
11	Games are always being cancelled because the fields are still super muddy after a rain a day before. The drainage system here is awful -- and embarrassing as I've heard other fields don't have this type of issue after rain the day BEFORE.	7/15/2023 12:40 PM
12	If it didn't flood and if better maintained	7/13/2023 2:06 PM
13	Maybe add a pump track? I think kids would have a ton of fun with that.	7/12/2023 11:11 PM
14	The fields were actually maintained, most especially after the creek floods it and after Brentwood Days.	7/12/2023 7:05 PM
15	Don't know	7/12/2023 5:55 PM
16	Turf fields - bring in some tourneys and better for Brentwood HS as long as it won't flood. Improved stands etc	7/12/2023 7:53 AM
17	New bathroom	7/11/2023 10:15 PM
18	More parking. Improved bathrooms and pavilion. Fix field drainage issues that mess with softball leagues	7/11/2023 7:54 PM
19	It didn't flood. Better parking.	7/11/2023 6:48 PM
20	Fields weren't lumpy and uneven. Had better lighting for fields and water mitigation with rain. Parking didn't bottleneck at the entrance. Had clear defined parking spaces. Had a paved walking trail around the perimeter.	7/11/2023 2:52 PM
21	Better lighting system so games could be played at night	7/11/2023 1:41 PM
22	Foul ball netting would be added. When my child earlier had soccer, we had foul balls from baseball practice flying at us and the kids on the playground and soccer field. This could have caused a serious injury.	7/10/2023 3:43 PM
23	I'm not sure	7/10/2023 8:19 AM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

24	They maintained the fields. Field 1 is where Brentwood High School team plays and the field is l'm horrific shape. I want to see turf on the field that shows a sense of pride and support of BHS players. Lighting on all fields should be LED to save on operating costs.	7/9/2023 9:31 PM
25	...the berm wouldn't bust every time it floods	7/9/2023 3:52 PM
26	Bridge to Webster Groves to connect with Deer Creek Greenway	7/9/2023 12:54 PM
27	More soccer fields	7/9/2023 12:52 PM
28	So much mud! My kids are always "accidentally" kicking their ball into the muddy ditch and then have to get it back...	7/9/2023 10:16 AM
29	Upkeep	7/9/2023 8:10 AM
30	There is no good access to fields on east end of park. It is unsafe and there should be a better walkway to field 3.	7/9/2023 7:05 AM
31	It was maintained. The high school field is a joke. The ability to have consistent field rentals/games/concessions (STMMAA did it years ago for their rentals) and all hope was given up after flooding. If flooding is supposed to be better, is it an option once again? The condition of the soccer field is terrible. So uneven and all the Brentwood days parking on it doesn't help. Of course the other fields are not really any better. Brentwood days- can we please make this an event that is not dominated by outside citizens for the free rides? I'd rather pay something than have it free and not be able to get on a ride because everyone else knows it's free and attends as well.	7/9/2023 3:11 AM
32	Skatepark in that area, doesn't require 18 people to use for a game. Address a growing need for a fraction of the space of a baseball field with no upkeep after construction	7/8/2023 9:42 PM
33	It didn't feel so disconnected	7/8/2023 9:30 PM
34	More shade for parents around the playground.	7/8/2023 8:30 PM
35	Better care of fields	7/8/2023 1:02 PM
36	Never used it.	7/8/2023 10:58 AM
37	All I ever hear from Brentwood residents and neighboring residents is how poorly run the sports leagues are. It's frankly embarrassing some of the stories going around. If we're going to host athletic leagues and charge teams \$1000 per season, we must ensure we do our part and have the fields ready, bases out, lights on, balls available, teams know if games are on or off, etc. this might sound very basic, and it is. However these simple standards are frequently overlooked or just flat out ignored.	7/8/2023 9:48 AM
38	The fields condition could be improved. The soccer fields were simply an open field. The grass was rough and rocky. Lots of mosquitoes.	7/8/2023 9:43 AM
39	it had a pavilion and bathroom close to the playground and field #4.	7/8/2023 9:24 AM
40	Update restrooms and provide more water fountains; more playgrounds for siblings during the games; more shaded seating areas for fans and players; improve conditions of the fields	7/7/2023 10:10 AM
41	Fine as is	7/7/2023 9:56 AM
42	It resembled an actual sports complex. It's a large field of poorly maintained grass and dirt that is dangerous for kids to play sports on. Probably worst sports field conditions in the St. Louis area. Absolute embarrassment of a "sports complex"	7/7/2023 7:36 AM
43	Pedestrian Connection from new park	7/3/2023 7:35 AM
44	If all firds were better taken care of. Seeded, weeded, etc. NO BIG RIDES OR TRUCKS ON FIELD DURING BRENTWOOD DAYS!	7/1/2023 11:13 AM
45	The bathrooms could use an upgrade.	6/29/2023 7:51 PM
46	Everything were better kept up. That baseball field is a real problem. It would be nice to have concessions like they have at Deer Creek for games	6/29/2023 6:03 PM
47	Better access points for foot traffic and bikes	6/29/2023 1:03 PM
48	Stop flooding	6/28/2023 5:26 PM

58	If the snack stand was put back in use and cleaned up and add pickle ball courts	6/21/2023 5:46 PM
59	The bathrooms aren't great- old, dirty, and don't often work or have TP.	6/21/2023 1:16 PM
60	a regulated size for soccer field were available and for parking area to be expanded.	6/21/2023 12:25 PM
61	it were better designed and maintained. There isn't a field big enough to have a soccer field to take advantage of a full year of programming. Flooding damages the fields or causes the turf to be less than ideal. Completely redesigning the complex could offer a more high-quality experience for the community and increase the potential of revenue for the city.	6/21/2023 12:14 PM

79	The part where it meets the creek always felt odd. Not to be vague but I can't put my finger on it. Basically whenever I've played soccer on the soccer field or been to brentwood days the south edge of the park feels like some sort of haunted wooded abyss.	6/9/2023 8:19 PM

86	Parking	6/7/2023 9:18 PM
87	Larger playground and Pickleball courts	6/7/2023 8:11 PM
88	Take care of flooding issue. Which will be impossible. Ball field is horrible. New location is needed for a more safe place to play baseball. No need to dump lots of money on something that floods constantly	6/7/2023 3:01 PM
89	Better turf on fields	6/7/2023 1:49 PM
90	If it wasn't next to train tracks	6/7/2023 12:36 PM
91	It had a dedicated pickle ball spot	6/7/2023 10:11 AM

93	Basketball courts Pickleball courts Sidewalks/easier access by train tracks	6/7/2023 6:54 AM
94	They took better care of baseball/softball fields. New fence on field 3 is missing opening from third base dugout to home plate. Outfields out too bumpy. Could easily turn an ankle chasing a fly ball. Too many weeds in the outfield.	6/7/2023 5:34 AM
95	Pickleball was available more often.	6/7/2023 12:01 AM
96	Less flooding better maintenance.	6/6/2023 10:39 PM
97	Improved field conditions, safe access to field (no RR crossing, up steep hill), get rid of the moats. Frequently go there for games, other teams make negative comments.	6/6/2023 9:59 PM
98	Sports fields were consistently available and maintained	6/6/2023 9:58 PM
99	It's awful, worst fields and dangerous for kids	6/6/2023 9:28 PM
100	Grass ball fields are embarrassingly bad. Need better access from the street parking, very dangerous for seniors wanting to watch kids play their games on the smaller fields.	6/6/2023 9:16 PM

110	Lower softball price. Pickleball courts!!!	6/6/2023 8:13 PM
111	The baseball fields are by far the worst in the area. For the tax money we have, it's embarrassing that these are the best fields we have for practice, let alone to play games.	6/6/2023 8:11 PM
112	Field maintenance and leveling	6/6/2023 8:10 PM
113	I hear it floods constantly and the lights are a pain to get turned on	6/6/2023 7:47 PM
114	Totally dismayed by the condition of the fields. Dont give me this crap about the flooding either, that's always been a problem. The problem is it's become a forgotten asset of the city. After Dan Kornfeld was unceremoniously forced out, the place went to crap.	6/6/2023 7:37 PM

111	I am aware the neighbors facing it don't want anything except grass and trees there. But the neighborhood is changing with younger families moving in. With the new Mt. Calvary ground as close as it is, it wouldn't make sense to do much with McKnight. But a couple of park benches would be nice.	6/6/2023 4:56 PM
112	The turf was replaced with native plants. Use it as a rain garden thing. A developed park here would only serve a few people, and a policy of using small green spaces for pollinator support will serve the whole community, and save money on maintenance.	6/6/2023 4:55 PM

1	my comments are valid and extremely serious (JK don't sue me I meant none of it lol) Also on a more serious note, you should stop doing this park stuff and instead maybe help the homeless people who sit with their kids by the highway. I think that might be more important.	8/18/2023 3:28 PM
2	Brentwood has lots of beautiful and convenient park spaces. Something that appeals to middle and high schoolers could be nice	7/20/2023 8:13 PM
3	Overall comments: would love better lighting for evening walks on trail or in parks when it gets dark out early. Need to ensure there's plenty of seating and access to bathrooms or senior citizens feel they can go enjoy our Parks and rec. More drinking fountains throughout, with access for dogs to drink. Would love to see splash pads or sprinklers or a Misting stations at other places besides new park being built. Newer type of playgrounds utilizing natural tree stumps or rocks are very fun.	7/20/2023 7:43 PM
4	Really appreciate the request for input. I realized I access many of these parks on my daily walks. Not as a destination but as another green space to enjoy. I like the mix of natural habitats for deer and other wild life. Keep using the native flowers in the gardens; it may encourage residents to plant natives.	7/20/2023 9:02 AM
5	I think the parks are great. I really appreciate how well they are taken care of and how accessible they are. I think it would be great if there was exercise equipment, either in a dedicated area of one of the parks or along the trail between the parks. There is one little gazelle like exercise machine in Oak Tree Park, but that is really it. I would love to see a pull-up bar in one of the parks. Currently, I use the pull-up bar in the playground of Memorial Park when kids are not playing on it. I think we could use one of two examples from parks that are near us. Shaw Park in Clayton has a great work-out area with pull-up bar, crunch machine, etc. All in one area. I think that would be a good model for Brentwood to follow. Another model Brentwood could follow is Tilles Park in Rock Hill. They have work out equipment spread out around the trail, so people can run/walk the trail and hit different exercises along the way. This would be a great model to use in the new Brentwood Park along the trail, but I think either of these examples would definitely enhance our parks. It would make the parks even more desirable to come out to. I'd be happy to talk about this more, if needed.	7/19/2023 3:29 PM
6	The ability to connect the paved trail through oak tree park to the new brentwood park south of manchester near the hanley intersection would have been ideal. But it seems like that should have been thought of years ago and someone deemed it too costly.	7/19/2023 1:13 PM
7	We have increased our park footprint. I am concerned about increased costs associated w the parks especially if we grow them further. Will the city be able to afford the increased costs. With brentwood bound there will be additional clean up from flooding, increased security, etc. The concern is that Brentwood will justify the need for more development to increase revenues and take property from more businesses and residents.	7/17/2023 9:47 PM
8	Rogers Parkway connecting Memorial and Brentwood parks is so great. Brentwood Park and extending greenways is amazing.	7/17/2023 9:46 AM
9	I love them. They are beautiful and great for kids and pets and people who like to walk and run and bike. We should have more parks that have more water fountains and bathrooms. Make more space for people and less space for cars. It makes neighborhoods safer, cleaner, healthier, more friendly, and beautiful. Thank you for your hard work.	7/15/2023 4:55 PM

11	New Brentwood Park, I know it is evolving, but necessity is cleaning the trash out of deer creek! Don't know how that wasn't a priority for flood mitigation. When will be entrance to park be paved from Brentwood Blvd.?long overdue! Drinking fountain does not have dog water available! Again overdue. And how to make sure a non working vehicle does not get on the trails again! The crosswalks along Manchester put in by MODot DO NOT give residents safe	7/13/2023 2:19 PM

passage! We do this daily and it is not safe! Go to Kirkwood and see how their signage stops traffic for cross walks! Again, MODOT, but we need a goose crossing sign just east of Public Works. Our natural wildlife that is federally protected, crosses btw the new trail and Cecelia ave. lake

12	Brentwood has great parks and we love using them.	7/12/2023 11:12 PM
13	The Brentwood Sports Complex used to be very busy every night during the spring, summer and fall. There were baseball and softball leagues that played there. I don't know what happened or why they all went to other places. It would probably help if there was an actual working concession stand, there used to be one.	7/12/2023 7:09 PM
14	Like being able to use the trails in summer and winter	7/12/2023 5:56 PM
15	Dog water stations, shade areas pickle ball courts	7/12/2023 7:55 AM
16	Need a skatepark! More teenage friendly!	7/11/2023 10:17 PM
17	The new Brentwood park is shaping up to be very nice. Be aware that there have already been people driving on the trails. Why aren't barricades in place?	7/11/2023 7:57 PM
18	I think it's a stretch to call most of these spaces "parks" most of them are flood plains	7/11/2023 6:51 PM
19	Park facilities and paving are outdated. Currently parks planning and connectivity appears patch worked. I enjoy the parks and frequent many of them. I just wish they were better and seemed better thought through and how they meet the actual needs of the community members.	7/11/2023 2:56 PM
20	We really appreciate how Brentwood maintains and cares about its park system. It is one of the reasons we chose to live here, and are glad to see it be continually improved.	7/10/2023 3:45 PM
21	I appreciate the dog potty bags and trash cans placed throughout the path system	7/10/2023 8:20 AM
22	It's a shame the tennis and handball courts were removed from Hanley Park. Maybe some pickleball courts could somehow be added?	7/9/2023 3:57 PM
23	Extend trails further to seamlessly connect to other places in neighboring communities and to bus/Metrolink	7/9/2023 12:57 PM
24	Continue to focus on walkability and up keeping trails and gathering places. Not all of us have kids, the parks are more than just the playgrounds	7/9/2023 8:12 AM
25	Continue to build upon walkability and connection to other area trails	7/9/2023 7:06 AM
26	I have lived here my whole life... I am grateful for what we do have and the recent updates to our park system. Eric and staff have come in and done a great job of updating our parks and making programming options better. I do worry about the public works handling all park maintenance. It would be nice if there was a more dedicated parks crew that took care of it, especially fields. First impressions are everything and many CYC teams don't even want to play at our park fields because of the potholes in them.	7/9/2023 3:17 AM
27	Limited green space in a land locked city, love what was done with the new park and trail	7/8/2023 9:44 PM
28	I would like to see more shade areas to rest, dog stations, a zip line for kids, and pickle ball courts.	7/8/2023 8:32 PM
29	To wrap up, many more water stations along our paths for humans and dogs (the higher and lower bowl station) more lighting in areas that are used in evening and that one little path section near Rosalie that needs opening up more	7/8/2023 12:05 PM
30	Keep them clean and patrolled!	7/8/2023 10:59 AM
31	You're doing a great job! Thank you so much.	7/8/2023 9:49 AM
32	We are new to the community and love that the parks in Brentwood are the focus of improvement. Creating more walkable or bikeable parks for those west of Brentwood Rd would be appreciated.	7/8/2023 9:46 AM
33	This is for new pedestrian underpass. Maybe there could be rotating murals/art by community on underpass or elsewhere? I always liked the painted trash cans. In Chicago, Rogers Park, every Father's Day weekend they do Artist if the Wall festival where community paints	7/7/2023 5:34 PM

sections of the break/sea wall. There are categories by age bracket for winners (see on Facebook). I always looked forward to that when I lived there and it was an awesome way to bring neighborhood together with celebration and art that lasted for the year. Nice thing actually was the impermanence of the art. Always refreshed every summer.

34	The well maintained and beautiful parks are absolutely the reason we chose Brentwood.	7/7/2023 12:32 PM
35	So glad Brentwood is creating a new park behind Mt. Calvary. The parks are great ways to meet neighbors and strengthen our community! Thanks so much for all your work and making the parks and trails a priority in Brentwood!	7/7/2023 10:18 AM
36	Lots of neighborhood families with kids go to parks with water features during the summer, oak tree park and Hanley park would benefit from some sort of water play feature	7/7/2023 7:44 AM
37	They could all use upgraded landscaping and modernization of facilities. It's nice having the parks but a lot of it looks dated.	7/7/2023 2:12 AM
38	Overall - need many more strategically placed shade trees planted close to playground equipment and walking paths to provide not only sun cover but also natural noise screening, a feeling of safety/security, and closeness with nature, as well as local wildlife habitats. Planting a lot of wild native pollinator gardens and ground cover such as clover, creeping thyme, violets, and wild edible berries and tall grasses in areas that are currently just mown grass and not used for other purposes would be more eco friendly and serve the neighborhood better, and help save pollinators. It would cut down on maintenance and water usage. Maybe this is a good candidate for a scout troop or Eagle project for local scouts, and/or something that neighborhood volunteers could come together and plant.	7/6/2023 2:50 PM
39	I'll say again, need more bike racks	7/5/2023 8:32 PM
40	Really glad we have so many parks and trails that are well maintained.	7/3/2023 9:16 PM
41	I love our parks especially how they connect with trails. I hope they remain free of motorized vehicles.	6/29/2023 7:53 PM
42	There is a look and a vibe to the parks that is quaint and small and sweet. It seems every time something is updated we lose some of that. Even Oak Tree cost us several huge lovely mature trees and put in parking that almost nobody uses for the park. The industrial park buildings use it. Keep things small, keep things well planted, keep things looking like they belong in this neighborhood. We are not a hip/modern industrial space and we don't want to be.	6/29/2023 6:08 PM
43	It would be nice to do something about all the goose droppings on the path at the new park. And plant more tree there too.	6/28/2023 5:29 PM
44	The current park system is overall fantastic. long-term, it would be good to re-route the path across from the Brentwood Swim Club to flatten it a bit, perhaps taking out a little space from the road there (which is only used seasonally anyway) to make the road more narrow and allow for a flatter path. Those two hills on the path are tough to take on bikes or scooters, especially for kids, so they end up riding in the street which can be unsafe.	6/27/2023 1:49 PM
45	Keep up the good work!	6/27/2023 1:29 PM
46	Let's talk about Swim Club Lane. It's dangerous about five months of the year - kids walking, kids scootering, kids one-wheeling, kids running, kids biking, adults biking, dogs, deer, and vehicles not observing the glorious 10 mph speed limit. My idea: let's put in a raised narrow sidewalk on the east side of the lane. So many times the parkway path is occupied and people with dogs or bikes want to get out of the way but they can only go into the street, where cars can be careless. Adding a narrow sidewalk would also calm traffic a bit with narrower lanes, perhaps closer to 10 mph from the standard 20-25. And then to figure out the bollard situation on the White Avenue connector. I have no idea why anyone would take the time to remove them, but it keeps happening - just saw that one is in the wooded area across Swim Club Lane this morning. #goodgrief #whoarethesepeople	6/26/2023 9:23 AM
47	Pickleball draws young and old players to the area and will be a way for Brentwood to showcase it's great town. Currently there are no public pickleball courts near Brentwood.	6/24/2023 5:44 PM
48	It doesn't matter which Park you use, but if you would put in 8 permanent pickleball courts, that would be great for the community. Maybe in the new area where recent construction was done. Even if it was put close to the Bi-State bus station	6/24/2023 5:44 PM

49	Broughton park is Brentwoods "Central Park". Invest the time and resources into it that would make it as unique and special as the other parks in Brentwood are.	6/23/2023 7:26 PM
50	You should do a poll about how many Brentwood residents own dogs, the number is high. Might be higher than those that have kids. It's a diverse community which is one of its biggest strengths. The green space is amazing but it caters heavily to children. If Brentwood wants to be unique from the others create a space that can be enjoyed by all family members, including dogs. Brentwood already has multiple playgrounds, several that are brand new and i fail to see the unique benefit of adding another. There is a "water park playground" in Tilles park off of McKnight and it's empty most of the time. Why spend millions to build a playground that becomes old and obsolete after a few years when you can use those resources more effectively long term. Brentwood seems to be very concerned about attracting children and families and ignores the needs of its other residents.	6/23/2023 2:40 PM
51	Love Brentwood Bound extension and flood mitigation	6/23/2023 10:55 AM
52	The wooded areas are a treasure; please continue efforts to rejuvenate them and remove invasives	6/22/2023 11:34 PM
53	I love our park systems and think it's a valuable part of our city.	6/22/2023 8:44 PM
54	Would like to see a community garden established as somewhere. Also, is a park planned for the vacant lot just east of the USPO on Rosalie?	6/22/2023 7:21 PM
55	Love the parks, and I'm excited for more!! I just wish they were better lit - its either I walk around sidewalks near a road in the dark or I walk through parks. I would prefer well lit parks!	6/21/2023 8:02 PM
56	Could do better	6/21/2023 5:47 PM
57	We are grateful for all the great work being done by our parks and recreation staff!	6/21/2023 2:02 PM
58	Overall they are great! Love how they are connected and are well mowed and maintained!	6/21/2023 1:17 PM
59	Make a disc golf course running through the parks in Hanley Industrial court all along Gloria Rogers ending at Brentwood Bound. Would be beautiful	6/21/2023 11:39 AM
60	Keep up the amazing work! The parks and greenways are what makes Brentwood such a wonderful place to live!	6/20/2023 8:46 PM
61	Keep the new tunnel open. Tired of going over there only to find it closed...very frustrating!	6/20/2023 8:11 PM
62	They are great keep expanding and connecting them!	6/20/2023 5:43 PM
63	Would be awesome to get rid of geese in Brentwood park, they really ruin it for me haha	6/20/2023 12:35 PM
64	I really enjoy all the park choices. I love seeing them full of people be it for picnics, kids on playgrounds, or a game of volleyball. Parks are a great way to get to know your neighbors. The dog park could really use a light even just one for the evening hours in the winter when it is dark by 5	6/19/2023 7:06 PM
65	This plan should also cover further development of the network of trails and pathways connecting streets and parks. In particular on the east side of Brentwood, further development could happen (in particular thinking about kids' walking to Mark Twain from all areas).	6/18/2023 8:20 PM
66	Love the new park. Brentwood park. It also a community center	6/18/2023 6:54 PM
67	We love living in Brentwood because of all the parks and the walkability. Best neighborhood in St. Louis for kids!!	6/18/2023 1:25 PM
68	We love the new park and the connection to the more northern bike paths	6/18/2023 11:57 AM
69	They're great!	6/16/2023 10:59 PM
70	Find a place for pickleball/tennis courts please and continue planting native and pollinator plants wherever you can. Thank you!	6/16/2023 10:27 PM

74	Yes, now that the GRG is routing cyclists here WE NEED TO CLEARLY LEAD THEM THRU TOWN ON OUR EXSISTING TRAIL AND also OUR ADJACENT STREETS. Using signs ..maps...and Sharrows. Secondly, At the intersections along our suggested route THRU BRENTWOOD we need to extend light Button to steeet to allow cyclists to punch it without getting off bike and walking to sidewalk... example. Litzinger and Brentwood Blvd	6/14/2023 3:44 AM
75	Would love to see more splash pads. updated playgrounds with areas for all ages.	6/13/2023 7:53 AM
76	I am excited to see the new brentwood park playground. I hope that we can improve the paths going through and between the parks to connect with other neighboring parks (Deer Creek)	6/12/2023 1:57 PM
77	I thoroughly enjoy the parks on a base level and commend the more esoteric aspects of what makes them great. Most of the recent facelifts over the past few years have been great. Good job Brentwood Parks!	6/9/2023 8:21 PM

81	Would love to see more native landscaping and raingardens/rain features along with fountains. City Garden downtown has an amazing example of this. While the new Brentwood park features some of this, it would be great to see those features in other Brentwood Parks too. Would love to see some city themed murals! And sculptures that are playful, kinetic or city themed.	6/8/2023 3:01 PM
82	More tennis courts please!	6/8/2023 1:23 PM
83	Add community gardens Allow community to rent garden space to plant a vegetable or flower garden.	6/8/2023 12:14 PM
84	The new park, play area and facilities is fantastic	6/8/2023 9:17 AM

89	Overall, the park system is fabulous with the connecting trails They are accessible from our house is one of the reasons we picked this neighborhood We do wish that Brentwood had an area for adults to play pickle ball that was dedicated and available during park hours every day	6/7/2023 10:13 AM
90	For the most part they are nice, but there really needs to be more things for older kids to do. Most playground equipment is for little kids. Maybe a skate park, or a teen basketball court	6/7/2023 9:25 AM
91	Connecting parks with bike/walk trail would be amazing	6/7/2023 6:55 AM
92	For the most part, I think our park system is great. Need dedicated pickleball courts and older playgrounds need updating.	6/7/2023 5:36 AM
93	More interactive spaces with pickle ball or disc golf would be great. A place for kids to play and engage with each other.	6/6/2023 10:40 PM

102	Na	6/6/2023 8:27 PM
103	I'm so excited about the new park, and hoping that it helps revitalize the section of Manchester it's been built on. Would love to see power lines get buried during projects, though. The giant poles and lines are a little unsightly, and Brentwood would be so much more walkable and enjoyable without them looming overhead. It would also be great to add a skate park, or something for the older kids in the neighborhood to enjoy.	6/6/2023 8:26 PM
104	Put in Pickleball courts - it's relatively cheap compared to other sports and is in such high demand now	6/6/2023 8:15 PM
105	Pickleball courts in every park!!!!	6/6/2023 8:14 PM
106	Knowing that turf is an investment for a baseball field or fields is important. However, doing so would have the potential to attract not only students to our high school, but also revenue sources for youth baseball networks that are always looking for turf fields 8-9 months a year.	6/6/2023 8:14 PM
107	Look pretty good. I love the trail/path maintenance	6/6/2023 8:11 PM
108	I just wish the trails were longer since we're on a bit of an island, boxed in by Hanley, Manchester, Brentwood Blvd and the Promenade. The new park with the connecting pedestrian tunnel will be a nice way to expand my walks, but I worry about access to shade on these upcoming hot summer days. I love how clean everything is. The grounds crew does a great job and are mostly friendly (there's one guy who's not) and attentive. Our community seems to really value what we have, as I never see people abusing facilities or damaging the environments (besides those who leave their dogs' crap on the sidewalks or walk their dogs off-leash). Both of those occur way too often.	6/6/2023 7:53 PM
109	None	6/6/2023 7:44 PM
110	I don't know how it could be done, but I wish there were walking trails on the west side of Brentwood. Or a safe way for kids on the west side of Brentwood to get to the new Brentwood Park without having to cross at Brentwood and Manchester.	6/6/2023 7:23 PM
111	Let's make the dog park better and larger! Let's connect the parks with useable trails! Let's make the sports complex cleaner and have concessions.	6/6/2023 7:18 PM
112	Since we now have a 7MM destination playground - let's remove the other playgrounds and take a look at what's happening nationally in cities considered desirable. And ... LET'S GET A REAL DOG PARK - THERE ARE PLENTY OF SPACES	6/6/2023 7:15 PM
113	Add tennis courts	6/6/2023 6:57 PM
114	We love Brentwood parks - one of the primary reasons we chose to move to Brentwood and one of the main reasons we're committed to staying!	6/6/2023 6:55 PM
115	There seem to be several very small parks, some I don't visit. I prefer walking/biking trails. Connecting them would be great.	6/6/2023 6:13 PM
116	Can a roller blade or stunt bike space be added to the new park that is being constructed behind Mt Calvary church?	6/6/2023 6:06 PM
117	The sign for Memorial Park is parallel to the road. It would be easier for drivers to see if it were perpendicular to the road	6/6/2023 5:06 PM
118	Brentwood has some great parks. If you can manage to shoehorn in a safe pedestrian crossing (not just a crosswalk, this is St Louis, people don't stop for stop signs, much less crosswalks), it would be well utilized and would tie the already existing parks and the rec center together in an even more cohesive system. Removal of invasive Busch honeysuckle would also be nice.	6/6/2023 5:06 PM
119	Every day, I am grateful to have these parks so close, and also grateful that they are cared for so well and so frequently.	6/6/2023 5:00 PM

I would like to see opportunities for indoor and outdoor open play/ drop-in sports and fitness programs (volleyball especially) I think people would enjoy a range of activities that doesn't require a weekly commitment.	6/5/2023 11:32 AM
126	The open space around the water channels in Brentwood park should not be planted w grass. High maintenance, no real benefit, poor erosion control. Wildflower seed should be sowed this fall. Provides beautiful flowers, lower maintenance, good for wildlife, good attraction for the park, good for erosion control	6/4/2023 3:04 PM

57	Lots of trails, community events, and an awesome playground!	6/29/2023 7:55 PM
58	Multiagency play spaces, destinations for fun events	6/29/2023 6:09 PM
59	The events and playground	6/29/2023 1:06 PM
60	Very well done prairie landscaping along creek and path. Very nice for walking and biking. Looking forward to completed landscape. Very good job making community center inviting and stylish.	6/28/2023 5:32 PM
61	The playground and water features! Also, connection to the bike trails north and east of the park. The incorporation of native plants to create space for wildlife is also great.	6/27/2023 1:50 PM
62	Having a place to walk, run & bike. Trails.	6/27/2023 1:30 PM
63	We had a grand opening but the tunnel is always blocked? It does not seem open to me and	6/26/2023 9:24 AM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

won't until I can walk through the tunnel and see what's on the other side. Messaging about the closed tunnel has not been good - a Facebook post explaining whatever the issues are is always better than silence and gets citizen buy-in (we're in this together) vs silence.

64	Looks nice and will be a good place for community hanging out, walking and biking.	6/24/2023 5:47 PM
65	n/a	6/24/2023 5:45 PM
66	Natural scenery along creek. Wide paths. Lake with fountain. New playground. Another great variety park!	6/23/2023 7:27 PM
67	The new playground for my 3 year old son. Can't wait!!	6/23/2023 3:40 PM
68	The green space, the pavilion, the food truck spaces and concerts and the lake.	6/23/2023 2:49 PM

80	The new park with its connectivity via the Rogers Parkway is great.	6/20/2023 9:23 PM
81	The amount of green space! There is a great stretch of greenway. The pavilion is also beautiful and is a great place for community events.	6/20/2023 8:48 PM
82	Connecting the trail there to the trail that goes into Maplewood. Also the new tunnel underneath Manchester.	6/20/2023 8:15 PM
83	The trail through the flood plain and new natural areas. Outdoor events would also be cool	6/20/2023 5:44 PM
84	All the grass and plants to grow in!!	6/20/2023 12:36 PM
85	The playground and splash pad	6/20/2023 10:59 AM
86	Movie nights	6/19/2023 7:06 PM
87	Having a tunnel to access it from Rogers Pkwy, having lovely trails and water, and the upcoming destination playground.	6/19/2023 3:15 PM
88	It being a destination for the whole region	6/18/2023 8:21 PM
89	The pavilion acts as a community center. Lawn events. Walking with my dogs. Have been there almost every day Better dog bags. Glad I almost always have a full pouch of bags Took pictures of the lake today so I can showy neighbors how it is working like it is meant to. I love the park but it is difficult to get to. Have to go north on McKnight up to Clayton. To McCutchen to high school and a street to Brentwood. Can't go south out of my neighborhood certain times of the day.	6/18/2023 7:04 PM
90	The playground and the community events like movie nights and food truck nights.	6/18/2023 1:26 PM
91	the bike path and connection under manchester. i also love the native plantings	6/18/2023 11:58 AM

Q20 What I'm most concerned about at Brentwood Park is ...

Answered: 165 Skipped: 109

#	RESPONSES	DATE
1	That it is not a good use of our tax dollars	8/18/2023 3:29 PM
2	there doesn't seem to be enough parking for the amount of traffic this park will be getting	7/20/2023 8:14 PM
3	Lack of lighting and access to bathrooms, could use more benches or resting spots along the walkways.	7/20/2023 7:45 PM
4	N/a	7/20/2023 9:05 AM
5	Upkeep, crime and poor use of space. Sad that so much space was dedicated to drawing outsiders to a "destination playground" that the new park cannot accommodate Brentwood Days.	7/19/2023 2:21 PM
6	The number of geese and the number of people the playground will attract	7/18/2023 7:05 PM
7	The flooding of the tunnel	7/18/2023 10:13 AM
8	Maintaining it over the years.	7/17/2023 9:48 AM
9	Not much really - just want to make sure there are enough water fountains and bathrooms.	7/15/2023 4:56 PM
10	parking for visitors	7/15/2023 12:42 PM
11	Keeping it natural and well maintained and safe! Put a no swimming in lake sign to cover liability. Signage or safety for no motor vehicles. Continued police on bikes, esp. early in am and dusk/sunset. Dog walkers need watering for them at the pavilion. Clean the trash out of the creek!!! Get the entrance open off Brentwood Blvd. for our neighbors off of Russell! Some people let their dogs off leash to run along the trail/creek, but not everyone wants to be approached by a wet/muddy off leash dog.	7/13/2023 2:27 PM
12	Additional traffic on Manchester. Flooding in the new tunnel. Geese have already taken over.	7/12/2023 11:14 PM
13	The city will not maintain this new park. Also, there is no shade, just massive amounts of concrete.	7/12/2023 7:11 PM
14	Been there twice, no concerns	7/12/2023 5:58 PM
15	upkeep/maintenance	7/12/2023 4:53 PM
16	Poop smell	7/12/2023 7:56 AM
17	Water issues ,	7/12/2023 7:12 AM
18	Security	7/11/2023 10:22 PM
19	People driving on trails. Vandalism and other illegal activities.	7/11/2023 7:58 PM
20	Unhoused folks may find it homey	7/11/2023 6:55 PM
21	Flooding, safety at all crossings along Manchester, cost of park maintenance and upkeep, stepping in goose poop on the trail	7/11/2023 2:58 PM
22	Amount of money spent on playground is a little excessive	7/11/2023 1:44 PM
23	high level of maintenance required in the floodplain	7/10/2023 6:16 PM
24	If the planned playground is too high and dangerous to kids who don't follow rules. Also, concerned about the cost of maintaining a flood plain as a park. Example being the underpass being flooded with mud recently. Is Brentwood adequately funding the department to regularly maintain a park of this size along with the rest.	7/10/2023 3:51 PM
25	The lack of equipment for very young children 3 and younger	7/10/2023 8:22 AM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

26	Crime	7/9/2023 9:32 PM
27	...how the plan was changed from a multi-purpose park to an insanely expensive amusement park for children, after voters approved the plan. Bait and switch, plain and simple.	7/9/2023 4:01 PM
28	The trail ends at Brentwood border, so there is not a safe connection to Maplewood Metrolink. Felt real dangerous crossing Hanley from the new shared use path to get to Metrolink.	7/9/2023 12:59 PM
29	I don't know how to access it.	7/9/2023 10:17 AM
30	The mud on the trails after a hard rain	7/9/2023 8:13 AM
31	There is no soccer field for the kids anymore	7/9/2023 7:07 AM
32	Public works not helping keep it clean, destruction to the park as it is isolated. The redevelopment along the area..hate the idea of a hotel back there.	7/9/2023 3:21 AM
33	Goose feces	7/8/2023 9:44 PM
34	The proposed development adjacent to Brentwood Park should be done thoughtfully	7/8/2023 9:33 PM
35	I was disappointed to hear about the construction litter in Deer Creek. That put Brentwood in a bad light. Otherwise my only concern is access from Brentwood Sports Complete area - I hope there will be a lighted crosswalk from Brentwood/Russell to the park's Brentwood Blvd entrance, near Exit 11Coffee	7/8/2023 9:03 PM
36	The new tune under Manchester doesn't seem to be draining after it rains and collecting dirt. This is cause children to cross Manchester road which defeats the purpose of its existences. Also, we would love to see more natural place In space for kids to interact with and food truck Fridays at the park.	7/8/2023 8:35 PM
37	Keeping it clean and well maintained. Increased traffic. Keeping visitors safe. Safety in the tunnel is a HUGE concern for me as a female that often walks alone. The graffiti in the tunnel prior to completion concerns me about crime in general - seems the park will only bring more outsiders to our area and I hope I continue to feel safe in Brentwood.	7/8/2023 2:33 PM
38	Green street and the lack of funding for new students. Our schools are already strained financially. The taxes from this project should in the very least cover the cost of me students	7/8/2023 1:04 PM
39	Getting people to frequent the park.	7/8/2023 11:00 AM
40	Nothing.	7/8/2023 9:50 AM
41	It will take a long time for trees to grow and provide shade.	7/8/2023 9:48 AM
42	that the event space could have been bigger. 80 person capacity seems small.	7/8/2023 9:25 AM
43	I wish the dog park would have stayed in the plan. Losing that large dog park was really unfortunate, and we have not renewed our membership to the dog park since.	7/7/2023 12:34 PM
44	The availability of shade may be limited due to the young trees in the area.	7/7/2023 11:56 AM
45	Safety and flooding. Seems like this area may attract homeless. Hopefully alarm/safety stations similar to those on college campuses are being considered as well as video surveillance for potential safety issues.	7/7/2023 10:24 AM
46	Needs more shade and dog water fountains	7/7/2023 10:00 AM
47	Becoming over crowded	7/7/2023 7:45 AM
48	How sparse it looks currently. And the goose poop all over the place already.	7/7/2023 2:13 AM
49	1. That it could get crowded/might not be enough parking 2. Not enough shade	7/6/2023 2:52 PM
50	I hope there's bike racks	7/5/2023 8:33 PM
51	No lighting or safety phones. Right now it lacks benches along the path.	7/4/2023 6:51 PM
52	Links to Webster groves. Maybe there should also be a blue light/emergency spot along trail bc	7/3/2023 9:19 PM
53	Outdoor furniture at the pavilion that will be ruined by someone.	7/3/2023 11:01 AM

City of Brentwood Parks and Recreation Master Plan Community Input 01 - Inventory and Kickoff

54	Parking in neighborhood	7/3/2023 7:37 AM
55	Upkeep of playground, pavillion, land. Its not easily accessible from west side of brentwood	7/1/2023 11:20 AM
56	No concerns.	6/30/2023 9:48 AM
57	Lack of shade and water fountains.	6/29/2023 7:55 PM
58	That there won't be enough to do for 12-18 year old kids	6/29/2023 6:09 PM
59	goose poop, sewage smell, needs more water fountain access points. Also whats going on with the random pool from the apartments?	6/29/2023 1:06 PM
60	All the goose droppings make walking on path haphazard. Hopefully more trees can be planted	6/28/2023 5:32 PM
61	Crime & flooding	6/27/2023 1:30 PM

66	The destination playground. Has a utilization study been done? What will the upkeep cost a year? How many months will the water feature be open and available? What does the insurance cost long term? How is the space utilized the 9 month of the year that it's too cold in Missouri? I am concerned the due diligence was not completed on this project. I fail to see how a destination playground will make more families with kids move to Brentwood for the schools which I know was a big push for doing it. What about the other residents that live in Brentwood? Can young new families afford to move here? I would like to see us consider the other residents that live in Brentwood and the dogs.	6/23/2023 2:49 PM

152	We spent an insane amount of money on a playground. The back wetland area should be better marked for flooding. Deer creek rises quickly. Allowing golf carts is an awful idea. Noisy and dangerous for pedestrians and cyclists. The sprinklers are spraying as much on the sidewalk as they are on the grass, making many paths impassible at times. People are taking up parking on and walking through private property (some is fine, habitual use is a problem and is only a matter of time) Lack of shade, lack of shade, lack of shade. 4	I genuinely hope there will be no additional parking. Trails should connect to this along Litzsinger. It shouldn't be another playground as tilles park is right next door. If anything it should be a large community food garden we then gives to those who need it most in the community. All sorts of vegetation and weaving trails. I also personally think Litzsinger should have a median and a separate paved trail all the way from Tilles to Broughton Park.	7/19/2023 1:32 PM

1	Lol don't sue me I redact all my statements	8/18/2023 3:29 PM
2	It would be nice to add some bike racks and drinking fountains	7/20/2023 8:17 PM
3	Would like to see more exercise stations throughout Parks and rec areas.	7/20/2023 7:47 PM
4	Love all the green spaces, big and small. These small neighborhood parks make our community more walkable and welcoming. Continue to make wide walking paths for all to enjoy. NOTE There is one spot on the trail directly across from the swim club. It has a steep asphalt ramp to the street which is difficult to navigate. It would be great to adjust the path with a more gentle slope to the street.	7/20/2023 9:12 AM
5	Please...don't add any more parking spots. Anywhere. Ever.	7/19/2023 1:34 PM
6	Pickleball courts would be a huge draw. If possible some sort of food service/beer garden could also be great!	7/18/2023 3:26 PM

22	We would love to see more community building nights and events such as the movie nights. Food. Truck nights and other events.	7/8/2023 8:37 PM

26	Please add a more challenging climbing structure at Mt. Calvary. There are many older elementary aged kids that would love to climb. A bathroom would be nice too!	7/8/2023 9:28 AM
27	Thank you for looking for feedback from residents. We love our parks, and I'm excited to see what the new spaces will be used for.	7/7/2023 11:57 AM
28	Exciting opportunities in Brentwood to maintain parks in a densely developed community! Thanks for all your work and forward thinking!	7/7/2023 10:42 AM
29	Definitely needs a dog water fountain and more trash cans	7/7/2023 10:03 AM
30	I would like to see more western connections with tilles park	7/7/2023 2:15 AM
31	Similar to my other comments, I'd love for all of these parks and properties to be well shaded, pedestrian-friendly, easily and safely walkable, enjoyable for toddlers and young kids, and have a feeling of closeness with nature. An abundance of benches/picnic tables. What is the draw for each one? Maybe one could have a butterfly garden, one could have a community/edible garden, one could be some sort of obstacle course made among the trees/with all natural materials, one could be fenced in to keep very young kids safer, one could have outdoor exercise stations/equipment, one a pond with koi fish and ducks. Something like a farmers market would be incredible in the new Brentwood Park, that would really increase the community feeling of Brentwood and bring people together. And more nature trails wherever they can be added.	7/6/2023 3:07 PM
32	Thanks for seeking input. Much better to create what the citizens want versus what someone thinks they want!	7/3/2023 11:03 AM
33	Goose poop!!!	7/3/2023 7:41 AM

36	Watch how the community uses and moves through the spaces both in the summer AND when school is in session. We use our parks and green spaces in specific ways	6/29/2023 6:12 PM
37	Really want pickleball courts	6/28/2023 5:35 PM
38	n/a	6/24/2023 5:45 PM
39	Great variety! Keep it up!	6/23/2023 7:30 PM
40	No more playgrounds. We have enough. Create more green space and dog friendly areas. Including watering stations, the cost is minimal.	6/23/2023 2:53 PM
41	Of all the new parks I think most resources should go into Mt Calvary; it will probably be most heavily used; Louis Ave doesn't need much, just a trailhead etc; I don't see the Hanley Industrial park getting much use unless/until it gets a bridge connecting it to the trail	6/22/2023 11:51 PM
42	I still like the idea of all the trails being connected by bike paths. If it's possible to include future parks that would be great	6/22/2023 8:50 PM
43	Maybe add a community garden. Is discussion being had about overwhelming crowds at the new playground?	6/22/2023 7:25 PM
44	Keep Brentwood a safe community.	6/22/2023 3:14 PM
45	Needs a lot of improvements but city hall is going to do what they want I will not vote for Any tax increases look at Brentwood Bound	6/21/2023 5:53 PM
46	I was unaware of these undeveloped areas for parks so will give more input a bit later.	6/21/2023 2:07 PM
47	Just so excited there's more coming and a master plan!	6/21/2023 1:30 PM
48	Some property is ok to leave undeveloped to protect it from other uses and to provide a more natural space.	6/21/2023 12:29 PM
49	The residents around Mt. Calvary will want it to stay green just because they didn't want a subdivision	6/21/2023 11:42 AM

58	Same as the comment about the existing parks. Pickleball and plants :)	6/16/2023 10:35 PM
59	The plan is well thought out and promising. Local residents need to want to continue to use and outside residents need desire to visit. This means good walks for kids/pets with destinations involved. Rather this be park setting or commercial, the experience needs both. This needs to apply to morning, daytime, and evening. Great work.	6/16/2023 9:51 PM

73	I wonder if one of those ice skating paths would work in STL in the winter when it's cold enough!	6/7/2023 8:30 PM
74	Setup parks for one or two ideas. Design a park for example...pickle ball, bocce ball, baseball field, etc. I would also recommend a vegetable garden area where people can rent out a plot for growing vegetables.	6/7/2023 3:19 PM
75	I hope the city is conscious of the cost to own and maintain parkland. Happy to have great parks, but hope we are thinking this through	6/7/2023 1:55 PM
76	My hope is that one of these areas will be develop with Pickleball courts. The area behind the church would be ideal. There's plenty of parking it's nice and flat and there's plenty of space for it without taking away much of the footprint.	6/7/2023 10:26 AM
77	As I've said, the teens in Brentwood need more to do, everything seems geared toward small children. Give them specifically a destination place where they can hang out together.	6/7/2023 9:29 AM
78	Need amenities not found in our other parks.	6/7/2023 5:41 AM

85	Would love more bike trails A pedestrian bridge across brentwood at the library would be absolutely amazing	6/6/2023 8:39 PM
86	I wasn't aware we had so many small spaces we were working on. It's pretty cool and I'm excited to see what comes out of it all. I would LOVE to see some sort of community garden in one of these spaces.	6/6/2023 8:36 PM
87	Thankful for the investment in our parks!	6/6/2023 8:30 PM
88	It would be nice to consider athletic fields of some kind, at least for practice purposes.	6/6/2023 8:24 PM

90	Not every empty lot needs to become a park	6/6/2023 8:16 PM
91	Needs Pickleball courts	6/6/2023 8:15 PM
92	Not every inch needs to be cleared out and developed. Trees are good. Wildlife is good. Let nature be nature	6/6/2023 8:04 PM
93	Thank you for continuing to add parks to our area.	6/6/2023 7:26 PM
94	I'll say it again here and many times in the future - I think it was two years ago that MANY of us were packed into a meeting at the rec center and got into the details of what a dog park should be - a lot of people gave great input and we were there for HOURS - that community effort should result in a REAL dog park - not the joke on Hanley Industrial Park. And in the meantime - stop putting money into that space, which we were told originally was a temporary placement.	6/6/2023 7:24 PM
95	Can we add pickle ball or bring back a second dog park? A dog park with grass and not gravel rocks??	6/6/2023 7:22 PM
96	None	6/6/2023 6:59 PM
97	I love the new Brentwood Park. Great job! It would be great if pickle ball courts were added and some new loft style apartments were built. Steer away from the box style apartments. Big windows/loft style are so much more modern and appealing. Brentwood Forest is nice but the buildings are very outdated.	6/6/2023 6:18 PM
98	Maybe the Hanley Industrial small spot could be a traffic problem since there are not sidewalks nearby Will neighbors on Louis be inconvenienced by extra traffic driving to and from the park?	6/6/2023 6:15 PM
99	Need to Improve safe access to parks along Brentwood Blvd	6/6/2023 5:31 PM
100	Don't know anything about them	6/6/2023 5:08 PM
101	Would love more wildflowers! Landscaping looks fantastic	6/6/2023 4:41 PM
102	Not sure all money was well spent. Not sure at all about the designation playground!	6/6/2023 4:24 PM
103	Green space on Brentwood at Bridgeport that might be owned by gas station now. Can this be a park???	6/6/2023 4:17 PM
104	A splash pad incorporated into one of the parks would be awesome. Distancing Brentwood as a community from Mt. Calvary church with the naming of the Mt. Calvary property. It is something you can't really come back from once it sticks. It could cause friction within the community down the line if the association with Mt. Calvary we're to go south,	6/6/2023 4:09 PM
105	Vacant property that the city owns on russell ave sould be used for something	6/5/2023 11:42 AM
106	Native plantings (in the long run) are lower maintenance and cheaper. To be good stewards of the land, you should remove all the honeysuckle on the park's properties	6/4/2023 3:16 PM
107	Hopefully can discuss plans with neighboring communities ie Webster and Maplewood to	6/3/2023 12:37 PM

15	Could provide additional seating/gathering areas outside, especially since covid is still around - smaller indoor meetings/gatherings/birthday parties could be moved outdoors if tables and benches are available. Online Presence

- Information about the Master Plan including maps, inventory and analysis information have been posted to the project website.
- The project website will continue to be utilized for posting information and documents developed throughout the project.
- An informal online input form was developed early on in the project using survey monkey. This online input form was advertised at initial engagement events including the Brentwood Pavilion Grand Opening and the first open house. The main goal of this input form was to develop feedback on needs, concerns regarding Brentwood's Parks System.

Priorities for Amenity Investments: The Priority Investment Rating (PIR) was developed by ETC Institute to provide organizations with an objective tool for evaluating the priority that should be placed on recreation and parks investments. The Priority Investment Rating (PIR) equally weighs (1) the importance that residents place on facilities and (2) how many residents have unmet needs for the facility. [Details regarding the methodology for this analysis are provided in Section 3 of this report.]

Based the Priority Investment Rating (PIR), the following parks/facilities were rated as high priorities for investment:

- Multi-use walking and hiking trails (PIR=150)
- Outdoor swimming pool (PIR=134)
- Indoor fitness and exercise facilities (PIR=130)
- Indoor swimming pool (PIR=123)
- Paved trails (PIR=114)
- Walking paths in parks (PIR=104)

The chart below shows the Priority Investment Rating for each of the 32 facilities assessed in the survey.

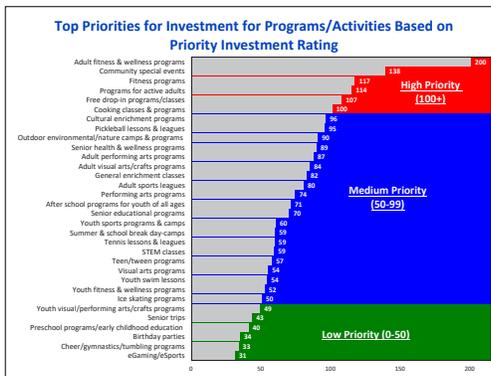

Priorities for Program Investments: The Priority Investment Rating (PIR) was developed by ETC Institute to provide organizations with an objective tool for evaluating the priority that should be placed on recreation and parks investments. The Priority Investment Rating (PIR) equally weighs (1) the importance that residents place on programs and (2) how many residents have unmet needs for the program. [Details regarding the methodology for this analysis are provided in Section 3 of this report.]

Based the Priority Investment Rating (PIR), the following programs were rated as high priorities for investment:

Benefits of Parks and Recreation / Co

IMPROVE HEALTH & FITNESS: *(Community Health and Wellness)*

Parks and Recreation provides community opportunities to increase physical and mental health through programming, and events.

INCREASE DESIRABILITY / VALUE: *(Quality Parks System)*

Parks and Recreation improves the quality of life in Brentwood, attracting residents and businesses.

CONTINUED LEVEL OF CARE: *(Professionalism)*

The focus on maintenance following the 2015 master plan has been a key success factor. Maintenance is as crucial to the current success of parks and recreation. Clearly defining and sustaining the current system and any future amenities or facilities.

EMBRACE SUSTAINABILITY: *(Environmental Stewardship)*

A Parks and Recreation System that reinforces the City of Brentwood Sustainability goals, addressing the social, and economic needs of the community without compromising the ability to meet the needs of future generations.

ACCESS FOR ALL: *(Customer Service)*

The benefits of recreation participation should be provided to every resident in the city. A recreation system that is accessible to those of all ages and abilities.

INNOVATIVE WHILE PRACTICAL: *(Innovative)*

Define a parks and recreation vision that is uniquely Brentwood and identifies a path forward.

DESIGN CONSIDERATIONS

- Incorporation of a formal stage for outdoor concerts, music, etc.
- Utilize City-owned property along Breckenridge Industrial Ct. for additional park space, potentially as a location for a new skate / BMX park.
- Consider expanding parking capacity for the park. City owned property along Russell west of Brentwood Blvd. could potentially be used to provide additional overflow parking capacity for the park.
- Improve wayfinding signage to highlight park entry, parking availability, etc.

 - Provide lighting as needed to promote park safety and security
 - Provide shaded seating

- CHALLENGES**
- Fields in very poor condition
 - Maintenance / long term upkeep
 - Area prone to flooding and erosion
 - Safety
 - Current access

DESIGN CONSIDERATIONS

- Develop feasibility study to determine best approach for long-term stormwater management on the park property.
- Consider alternate possible scenarios to consider for site:
 - ◊ Maintain as is, accept maintenance challenges and limitations on programming due to flooding
 - ◊ Modify park layout to add stormwater management features (i.e. detention basins and other drainage features). This may require reduction in overall amount of space available for baseball / softball.
 - ◊ Convert to a passive use park space similar to what is planned for Brentwood Wetland Arboretum.

Recommendations Focus - Trails and

The primary goal of the Trail Enhancement Feasibility Study is to determine the best allocation of enhancements to the existing Rogers Greenway corridor and to further implement the plan and concepts depicted on the Great Rivers Greenway (GRG) project to connect Rogers Parkway to the Deer Creek Greenway. Based on the information compiled during the analysis phase of the project, the final recommended alignment was a combination of the best alternative for each specific reach of the project.

The Trail Enhancement Master Plan is broken down into 6 areas (WOODLANDS connector, THE BIRCH GROVE, THE TUNNEL CONNECTION, THE DEER CREEK GREENWAY CONNECTION, FLORENCE PLAZA, and BROUGHTON PARK) and features available to the greenway users. Combined together, these areas create an interconnected and multi-use greenway environment that will connect communities of Brentwood, Brentwood to the heavy rail business opportunities north and south of the project area.

Q1 Additional thought or comments about Brentwood New Parks & Undeveloped Property Recommendations

Answered: 10 Skipped: 1

#	RESPONSES	DATE
1	would love a few more pickleball courts	4/27/2024 10:47 AM
2	I think it's really terrible that the park we voted on as a community (ex: included a huge dog park) was not actually what was built. I also think it's ridiculous to build a "destination playground" and not build sufficient parking. I feel horrible for the people who live by the new park. Imagine dreading the thought of fighting for a parking spot AT YOUR OWN HOUSE! I also think it's extremely ignorant to try and use a company to revamp Manchester that the city of St. Louis won't give any more tax breaks because they aren't paying all their taxes on other projects. It's wrong to have blighted businesses who have been there for a decade+ and their property is well kept and maintained. I live by the middle school / high school and I'm scared to death the city of Brentwood is going to eminent domain my house in 10 years because they want to add on and I won't even be able to afford buying another house in Brentwood due to insane inflation and housing prices	4/27/2024 4:18 AM
3	Leave undeveloped property undeveloped and concentrate on necessary improvements to, and maintenance of, current parks. We have just been overtaxed for a new library with a state of the art library 10 minutes away (new County library) and have to maintain a multimillion dollar playground that is being paid for by Brentwood taxpayers but used by folks from everywhere.	4/26/2024 11:39 PM
4	Parking	4/26/2024 7:40 PM
5	Maybe a sculpture park or community produce garden Maybe Mt Calvary park could be turned into a forest area, similar to Memorial Park ... with hiking paths	4/26/2024 5:32 PM
6	I love the connectivity between parks with the bike/multi-use path. It's a huge difference maker as most parks in the region are only accessible by car. Some folks would like you to pave over all the green space for parking, but much better to continue increase investment in safe bike paths between public spaces and schools!	4/26/2024 5:24 PM
7	Plans for Mt calvary	4/26/2024 4:46 PM
8	My Calvary Park...would love this to be a mostly open green space with a fenced in playground area. Walking trail around perimeter. However...wouldn't it be fantastic if this area could be accessed from the Parkridge Addition neighborhood (is there a space on White Ave where a pathway could be constructed between houses?)	4/25/2024 7:42 PM
9	Please consider additional parking and not going as hard on the marketing for new attractions. The new destination playground is lovely but not every mom influencer out there needed to be hustling it on the gram, a soft launch pushed to residents would probably have helped to alleviate a lot of frustrations.	4/25/2024 3:36 PM
10	I am enthusiastic about the recommendations. Expanded parking space for Brentwood Park is critical. A pedestrian crossing with flashing lights connecting Russell/Sports complex with Brentwood Park would allow people to park west of Brentwood Blvd and cross safely to Brentwood park. Updating the pavilions/restrooms at the parks with older facilities will be a great improvement. Expanding accessibility and making good use of available open space are important goals.	4/21/2024 4:02 PM

Q2 Additional thought or comments about Brentwood Trails & Connectivity

Answered: 7 Skipped: 4

#	RESPONSES	DATE
1	Love that some back trails are very green and natural. It great for the bugs, humans, and pets	4/27/2024 4:22 AM
2	Not able to walk well enough to use them.	4/26/2024 11:40 PM
3	More police to make sure dogs are on leashes	4/26/2024 7:41 PM
4	I love the plan. I'd love to see protected bike lanes. I love the tunnel under machester.	4/26/2024 5:26 PM
5	Keep up the good work	4/26/2024 4:47 PM
6	With the library initiative having passed I would strongly consider looking safety measures crossing Brentwood Blvd. at litzsinger, Rosalie, White. I know that there have been pedestrians that have been hit at the litzsinger crossing. There are a lot of caregivers with small children that walk to the library that will now have to cross Brentwood Blvd.	4/25/2024 3:40 PM
7	Trails that connect the west side of Brentwood are urgently needed, especially trails that connect to the Brentwood Sports complex. Anything to improve the ability of residents on the east side to walk to the Sports complex would be very helpful. A safe crossing connecting Russell Ave/Sports complex with Brentwood Park should be a priority.	4/21/2024 4:06 PM

Q3 Additional thought or comments about Brentwood Facilities (Community Center, Ice Rink, Park Structures & Pavilions)

Answered: 4 Skipped: 7

#	RESPONSES	DATE
1	It's idiotic that a new library was even considered. I go in to the current one often to get books for my grandma (also a Brentwood resident for almost 55 years) that she puts on hold and there is never anyone in there. Supposedly the new library is being built to add more meeting rooms when the meeting rooms at the community center aren't even booked 100% of the time and there is brand new St. Louis county library less than 5 miles away. Like is there a concrete lobby going on behind the scenes or is someone's brother in the concrete/construction business? What's going on here. Please keep adding the water fountains with the lower dog bowl fountain too.	4/27/2024 4:30 AM
2	Useful but need better sound-proofing between meeting rooms - hard to have a serious discussion when there is noise in the hall and adjoining rooms.	4/26/2024 11:41 PM
3	add a few more picnic tables in each park to encourage meet & greets	4/26/2024 5:38 PM
4	The facilities are a great service to the community. Many of the older pavilions are fine, but regular replacement/updating will ensure that the facilities remain attractive and usable.	4/21/2024 4:07 PM

Q4 Additional thought or comments about Brentwood Programs and Events

Answered: 5 Skipped: 6

#	RESPONSES	DATE
1	It would be nice if they had adult movie nights at the new amphitheater and not only kids stuff. It would also be nice if the activities were free for Brentwood residents. You're already using my tax dollars to put on whatever program, would be nice not to pay twice.	4/27/2024 4:33 AM
2	Need to provide more health and fitness (free) programming for seniors and need to advertise these better/	4/26/2024 11:43 PM
3	Give residents a wrist band at the Brentwood Days carnival that allows them free rides. Then anyone who can't prove residency can buy tickets for rides	4/26/2024 5:41 PM
4	There's a lot of opportunity at the new park to host family friendly events. Live music, food trucks etc. I would love to see some kind of regular cadence for these events kind of like webster with their gazebo series. I'm not sure if the pickleball tournament the other night with the DJ was facilitated by Brentwood but it seemed well attended. One off adult sports events vs sessions	4/25/2024 3:43 PM
5	Brentwood has excellent programs.	4/21/2024 4:07 PM

Needs and Priorities

Parks and Facilities Priorities for Amenity Investments

- Multi-use walking and hiking trails (PIR=150)
- Outdoor swimming pool (PIR=134)
- Indoor fitness and exercise facilities (PIR=130)
- Indoor swimming pool (PIR=123)
- Paved trails (PIR=114)
- Walking paths in parks (PIR=104)

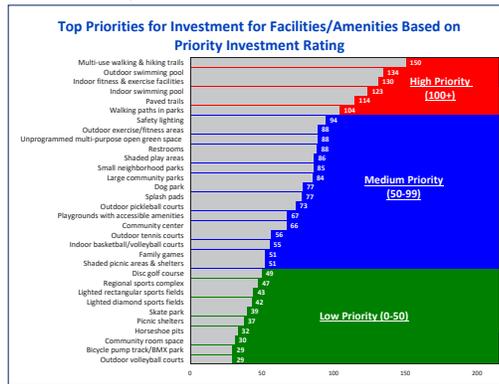

Brentwood, MO 2023 Report

Priorities for Amenity Investments: The Priority Investment Rating (PIR) was developed by ETC Institute to provide organizations with an objective tool for evaluating the priority that should be placed on recreation and parks investments. The Priority Investment Rating (PIR) equally weighs (1) the importance that residents place on facilities and (2) how many residents have unmet needs for the facility. [Details regarding the methodology for this analysis are provided in Section 3 of this report.]

Based the Priority Investment Rating (PIR), the following parks/facilities were rated as high priorities for investment:

- Multi-use walking and hiking trails (PIR=150)
- Outdoor swimming pool (PIR=134)
- Indoor fitness and exercise facilities (PIR=130)
- Indoor swimming pool (PIR=123)
- Paved trails (PIR=114)
- Walking paths in parks (PIR=104)

The chart below shows the Priority Investment Rating for each of the 32 facilities assessed in the survey.

Recreation Program Priorities for Amenity Investments

- Adult fitness and wellness programs (PIR=200)
- Community special events (PIR=138)
- Fitness programs (PIR=117)
- Programs for active adults (PIR=114)
- Free drop-in programs/classes (PIR=107)
- Cooking classes and programs (PIR=100)

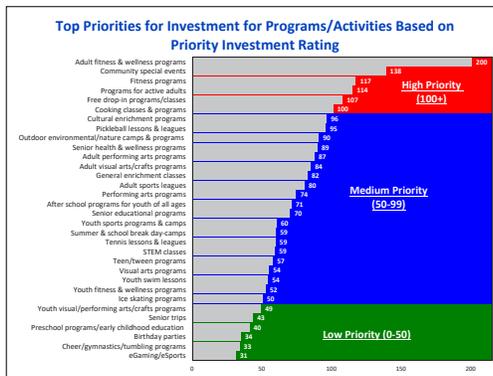

Brentwood, MO 2023 Report

Priorities for Program Investments: The Priority Investment Rating (PIR) was developed by ETC Institute to provide organizations with an objective tool for evaluating the priority that should be placed on recreation and parks investments. The Priority Investment Rating (PIR) equally weighs (1) the importance that residents place on programs and (2) how many residents have unmet needs for the program. [Details regarding the methodology for this analysis are provided in Section 3 of this report.]

Based the Priority Investment Rating (PIR), the following programs were rated as high priorities for investment:

Core Values

IMPROVE HEALTH & FITNESS: *(Community Health and Wellness)*

Parks and Recreation provides community opportunities to increase physical and mental health through parks, trails, programming, and events.

INCREASE DESIRABILITY / VALUE: *(Quality Parks System)*

Parks and Recreation improves the quality of life in Brentwood, attracting residents and positively impacting property values.

CONTINUED LEVEL OF CARE: *(Professionalism)*

The focus on maintenance following the 2015 master plan has been a key success. Residents see this heightened maintenance as crucial to the current success of parks and recreation. Clearly defining maintenance expectations is vital for sustaining the current system and any future amenities or facilities.

EMBRACE SUSTAINABILITY: *(Environmental Stewardship)*

A Parks and Recreation System that reinforces the City of Brentwood Sustainability Plan in meeting the current environmental, social, and economic needs of the community without compromising the ability of future generations to meet their needs.

ACCESS FOR ALL: *(Customer Service)*

The benefits of recreation participation should be provided to every resident in the Brentwood area through a parks and recreation system that is accessible to those of all ages and abilities.

INNOVATIVE WHILE PRACTICAL: *(Innovative)*

Define a parks and recreation vision that is uniquely Brentwood and identifies a feasible approach to implementation.

Recommendations Focus - Program

Expanded Programming

- The Department currently uses a blend of City staff (part-time and full-time) and contract staff to deliver programs to the community. That practice should continue.
- The Department is nearing capacity for the number of programs that they can offer at the Community Center location due space constraints. The following is recommended.
 - *To ensure that the Department continues to offer programs and services the residents demand, they will need to continually evaluate poor performing programs and replace them with expanded existing programs, or new programs.*
 - *To address the lack of indoor space the Department may consider expansion of the existing Community Center / Ice Rink location. Consolidation into a single point of entry to accommodate both operations would be recommended.*
 - *Consolidation of entries could allow for reconfiguration and/or increased size of rooms in the Community Center.*
 - *Depending on design and reconfiguration it could allow for a second story to the non-ice rink portions of the facility.*
 - *Expansion of these spaces would likely focus on areas for group exercise classes, enrichment classes, and rental space.*
 - *A non-traditional idea for expanding the indoor program space for the Department would be the purchase of the property directly to the south of the existing building. This additional 16,000 square feet could be configured to include a full-size gymnasium and/or other amenities the residents are seeking.*
- **The price point for the programs offered by the Department is consistent with addressing affordability to maximize participation, while at the same time meeting their budgetary goals.**

Cooperative Use Agreements

- Based on feedback received from a recent survey that many residents are interested in using shared spaces with Richmond Heights.
- The City and the Department are in a similar position, nor would it be reconfiguring the pool and recreation center.
- Recommend that the Department explore those opportunities are available and encourage those interested.

Special Events

- Special events are a core service of the Department. The addition of Brentwood Park would allow for an increase in the number of special events the Department offers, or a shift of some events to other locations to this location.
- As special events increase, the Department will be having the appropriate funding to administer the event, but special event will be crucial.
- Specific to Brentwood Park, the Department will need to pay close attention to the scheduling of special events. If the park is continually taken off-line for special events, it could become frustrated with drop-in use.

Brentwood Sports Complex

- The complex is currently listed as having a youth soccer field, softball diamonds (2), baseball diamond, batting cage, pavilion and bathrooms. One of the diamonds serves as the home field for the local high school.
- This location is an asset to the community, however its location adjacent to a stream that floods on a consistent basis makes its playability less than desirable. Additionally, the pavilion and bathrooms are dated and in need of significant repair or complete replacement.
- Team sports that involve either a diamond or a rectangle are not core services of the Department. In contrast “rentals” of indoor spaces (to include ice) and outdoor spaces (pavilions and fields) is a core service.
- As the City and Department continue to contemplate the future of this location consider the following:
 - *There needs to be an analysis of the time and resources dedicated to this location. Further, there also needs to be an analysis of whom the direct beneficiary is of the time and resources.*
 - *The cooperative agreement for use of this location by the local high school needs to be reviewed and revised. Revisions should include the level of service that will be provided by the Department and outline usage fees by the high school.*
- If the Department is going to continue to use this space as sports complex a decision should be made to focus on either diamonds or rectangles. There is not adequate acreage in that location to accommodate both.
- If the location is not going to be used as a sports complex a plan should be developed to maximize usage of the space by a wide variety of user groups.

Recommendations Focus - Trails and

The primary goal of the Trail Enhancement Feasibility Study is to determine the best alternatives or enhancements to the existing system, identify and further implement the ideas and concepts depicted in the Great Rivers Greenway (GRG) plan, and to connect Rogers Parkway to the Deer Creek Greenway. Based on the alternatives considered during the analysis phase of the process, the final recommended alignment was a combination of the best alternatives for each specific area of the project.

The Trail Enhancement Master Plan is broken down into 6 areas (shown) unique and very close to their location along the overall Greenway. The districts to be enhanced are available in the greenway plan. Considered options: Their districts create opportunities to fully enjoy the greenway experience. The trail connects the existing end of Brentwood Boulevard to form many retail/business opportunities north and south of the project area.

City-Wide Connections

City-wide Connection Alignments –

North: Brentwood Trail – McKnight to Brentwood Metro Station

- This proposed trail alignment: McKnight, Northcote, Eager, Wrenwood, Strassner, Hanley Industrial Ct. and terminates at the Metro station.
- This alignment connects to Memorial Park, Mid-County Family YMCA, and the north end of Rogers Parkway.
- This alignment was noted in the Brentwood 20/20 Comprehensive Plan.

Central: Litzinger Road Pedestrian Improvements / Eulalie Ave

- This alignment connects McKnight to the west with the Lee Wynn Trail on the east.
- This alignment connects to Mount Calvary and Broughton Parks
- This alignment connects with Rogers Parkway and Lee Wynn Trails
- This alignment connects with McGrath Elementary school
- Brentwood 20/20 Comprehensive Plan notes conceptual overpass of Brentwood Boulevard at this crossing location.

Central (Alt.): White Avenue – High School Drive to Swim Club Lane

- This alignment would provide a direct connection to Brentwood High School with a signaled crossing of Brentwood Blvd.
- This alignment would require a transition south to Litzinger Road for connection west to McKnight.
- If proposed improvements for Rogers Parkway, including modification for connection of White Avenue, this may be a preferred alignment.

South: Russell Avenue – Brentwood Sports Complex to Maplewood Metro Station

- Deer Creek Greenway improvements include a signaled pedestrian crossing of S. Brentwood Boulevard from Russell to the Deer Creek Greenway in Brentwood Park.
- This alignment connects Brentwood Sports Complex (Brentwood Days), Brentwood Park, and the possible skate park location on Breckenridge Industrial Ct.
- This alignment connects Rogers Parkway (Deer Creek Greenway), Brentwood Boulevard pedestrian improvements, and the Lee Wynn Trail along Block Creek.

South (alt.): Manchester Road Pedestrian Improvements

City-wide Connection Alignments – North / South:

West: High School Drive – Wrenwood to Brentwood Sports Complex

- This alignment connects Brentwood High School, Brentwood Middle School, and McGrath Elementary School.
- At Manchester, new mid-block pedestrian crossing is +/- 350' east of High School Drive at Manderly Drive for connection to Brentwood Sports Complex

Central: Rogers Parkway (Feasibility Study) – Memorial Park to Brentwood Park

- This alignment connects Memorial Park, Hanley Park, Broughton Park, and Brentwood Park.
- This alignment connects Brentwood Trail, Eulalie Ave. and Deer Creek Greenway
- This alignment connects with Mark Twain Elementary school
- Consideration should be given to the level of Rogers Parkway development and the impacts (cost and safety) of implementing at-grade crossings or tunnels and modification to White Avenue proposed in the feasibility study.

Central (Alt.): Brentwood Boulevard Pedestrian Improvements

East: Lee Wynn Trail (existing) – Memorial Park to Oak Tree Park

- This is an existing trail alignment along Black Creek
- Opportunities to expand the connectivity of this trail alignment with proposed park improvements in this plan.
 - Addition of a pedestrian bridge across Black Creek to 416 Hanley Industrial Court undeveloped park property.
 - Additional trail connection to 2456 Louis Avenue as a trailhead and connection to Oak Tree Park.
- Opportunities to expand the connectivity of this trail alignment with the development of other trail and sidewalk improvements in this Trails and Connectivity section of the master plan.
 - Great Rivers Greenway trail connection to south from Oak Tree Park
 - Eulalie Ave connection
