

Alderman Steve Lochmoeller

2348 S. Brentwood Blvd.
Brentwood, MO 63144

Steve Lochmoeller was elected Alderman for Ward 3 in 2015 after nearly three decades as a Brentwood resident. He brings a strong sense of neighborhood pride, civic involvement, and a commitment to responsive government to his role on the Board of Aldermen.

Steve has lived in both Brentwood Forest and on Madge Avenue, where he and his wife Mary Jo raised their three daughters and are now proud grandparents. His children attended Brentwood public schools, giving him a personal stake in the strength and success of the community.

Prior to running for office, Steve regularly attended Board of Aldermen, Planning & Zoning, and other committee meetings to gain a thorough understanding of city government. As alderman, he advocates for fiscal conservancy, transparency in government, neighborhood preservation, and reinvestment in Ward 3—particularly along the Manchester Road corridor.

Steve is committed to listening to residents and ensuring their voices are heard at City Hall. His door-to-door approach during his campaign reflects his dedication to making residents' priorities the city's priorities.
